Resolution No. 29, 2025

A resolution authorizing the Executive Director to negotiate and execute a contract with Consor Engineers, LLC to provide GIS and data analysis services for DRCOG's Curbside Digital Twin project in an amount not to exceed \$250,000 for a period of 24 months from the date of contract execution.

Whereas, DRCOG established the Innovative Mobility set-aside program to assist regional partners as they plan for, and prepare, innovative solutions to mobility challenges in the Denver region; and

Whereas, a total of four million dollars is available in the set-aside over the four-year period of the 2024-2027 Transportation Improvement Program; and

Whereas, the Denver Curbside Digital Twin project was approved by the DRCOG board in December 2024 and seeks to identify and document curbside policy restrictions in a GIS database consistent with Curb Data Specification (CDS) and OpenGov Cartegraph data requirements.

Whereas, DRCOG conducted a competitive bidding process administered by a selection panel consisting of staff from DRCOG's Active and Emerging Mobility team, Subarea and Project Planning team, and contracting team as well as Denver's Department of Transportation and Infrastructure Performance Office and Denver's Department of Transportation Curbside and Parking team; and

Whereas, the selection panel determined that Consor submitted the best overall proposal that demonstrated their experience, capability and understanding to successfully deliver the required services.

Now, therefore, be it resolved that the Finance and Budget Committee authorizes the Executive Director to negotiate and execute a contract with Consor Engineers, LLC to provide GIS and data analysis services for DRCOG's Curbside Digital Twin project in an amount not to exceed \$250,000 for a period of 24 months from the date of contract execution.

Resolved, passed, and adopted this 21st day of May 2025, at Denver, Colorado.
