Agenda Item #: 2 – C

Resolution authorizing the Executive Director to accept Older Americans Act and State Funding for Senior Services funds from the Colorado Department of Human Services of approximately \$20.4 million for the period beginning July 1, 2025 and ending June 30, 2026.

Agenda item type: Consent agenda

Summary

DRCOG anticipates receiving an option letter from the Colorado Department of Human Services for approximately \$20.4 million for the period beginning July 1, 2025 and ending June 30, 2026.

Background

As the designated Area Agency on Aging for the eight county Denver region, DRCOG receives federal Older Americans Act and State Funding for Senior Services funds to support services in the region to help older adults age in place. DRCOG received a contract from the Colorado Department of Human Services in June 2025 for approximately \$17 million for state fiscal year 2026. This contract represented approximately 75% of the total anticipated federal funding for the year. The state issued a partial contract to ensure that there wasn't a gap in services starting July 1, as there were delays in the state receiving the full apportionment of federal funding from federal fiscal year 2025. The state has since received the full apportionment, and informed DRCOG of the full dollar amounts for fiscal year 2026. The state has indicated that they plan to issue an option letter to DRCOG for the full year, which is approximately \$20.4 million.
