

Transportation Advisory Committee

Meeting date: August 24, 2026

Agenda Item #8: (Attachment F)

Colorado Department of Transportation Grant Updates

Agenda item type: Informational item

Summary

A notification of funding opportunities from the Colorado Department of Transportation.

Background

This fall, the Colorado Department of Transportation (CDOT) is holding several calls for projects to award funding for the [Transportation Alternatives Program](#) (TAP), [Safe Routes to School](#) (SRTS) and a new [Safe Routes Activating Communities Program](#).

The Safe Routes Activating Communities Program call for projects opens in August. For ease of application, CDOT will conduct TAP and SRTS calls for projects at the same time in October 2026 using the same application.

To be notified when the calls for projects are opened, sign up on the [CDOT TAP webpage](#) under "Subscribe for Active Transportation Updates." Please see the CDOT presentation attached for more information.
