

Power Ahead Colorado Technical Committee

Meeting date: September 1, 2026

Agenda Item #6: (Attachment D)

Power Ahead Colorado Program Round Robin and Discussion

Agenda item type: Discussion

Summary

Staff will facilitate a round-robin discussion providing an overview of Power Ahead Colorado's current activities, progress, and priorities across its major program areas.

Background

Each program area will provide a brief update highlighting recent progress, key developments, and upcoming activities.

The discussion will feature updates from:

- Building Policy
- Contractor Support and Workforce Development
- Marketing and Communications
- Incentives, Comfort for All, and Innovation

The round-robin will provide the committee with a broad view of program implementation and an opportunity to discuss progress, challenges, and priorities across the program.
