Amendment to the 2026-2029 Transportation Improvement Program

Agenda item type: **Action**

Summary
December 2026 Amendment to the 2026-2029 Transportation Improvement Program, known as the TIP.

Background
The region's transportation planning process allows for Board-approved amendments to the current TIP on an as-needed basis. Typically, these amendments involve the addition or deletion of projects, or adjustments to existing projects and do not impact funding for other projects in the Transportation Improvement Program.

The projects to be amended are included in the table and listed in the attachment. The proposed amendments to the 2026-2029 TIP have been found to conform with the State Implementation Plan for Air Quality.
