Agenda Item #: 2 – B

Discussion of a resolution authorizing the Executive Director to distribute up to \$500,000 in federal fiscal year 2025 NSIP funds to contracted nutrition providers

Agenda item type: Consent agenda

Summary

This action is to recommend distribution of federal fiscal year 2025 NSIP funds.

Background

NSIP is a federal nutrition program for older adults authorized by the Older Americans Act (OAA). Through the State Unit on Aging division of the Department of Health and Human Services, NSIP funds are awarded to DRCOG and other Area Agencies on Aging in proportion to the number of OAA meals served throughout the state in the previous year. NSIP allocations may only be used to purchase domestically produced food, such as milk, fruit, vegetables, protein products, etc., that are used in a meal.

Neither DRCOG nor the State are aware of the exact number of dollars DRCOG will receive in federal fiscal year 2025, however, DRCOG anticipates receiving up to \$500,000 based on federal allocations projections and past years' NSIP funding. The amount allocated to the DRCOG AAA shall be distributed to OAA-funded nutrition providers, Volunteers of America (VOA) and Project Angel Heart. By adopting this resolution, the Finance and Budget Committee is authorizing NSIP funds to be distributed to VOA and Project Angel Heart for the federal fiscal year of October 1, 2024 through September 30, 2025.
