Agenda Item #: 2 – B

Resolution authorizing the Executive Director to accept an amendment from the Colorado Department of Labor and Employment to extend the term of the disability application assistance grant through the period ending March 31, 2026.

Agenda item type: Consent agenda

Summary

The item recommends adopting a resolution authorizing the Executive Director to accept an amendment to the disability application assistance grant received from the Colorado Department of Labor and Employment.

Background

DRCOG received a grant from the Colorado Department of Labor and Employment to support the Aging and Disability Resource Center in helping individuals 18 and older with a disability apply for Supplemental Security Income, Social Security Disability Insurance, and Colorado Medicaid Benefits. This grant allowed DRCOG to add a position in the AAA to support this work and to fill a gap in services that Older Americans Act funding could not support. The original grant period ended August 31, 2025. DRCOG received an amendment from CDLE extending the term of this agreement through March 31, 2026, as there is enough funding remaining under the grant to cover the staff position until that time. It is anticipated CDLE will release an RFP for additional funding for this program toward the end of this current extension. DRCOG will be eligible to apply for that funding to continue this work.
