2026 Policy Statement on State Legislative Issues

Agenda item type: Consent agenda

Summary

This item concerns approval of the 2026 Policy Statement on State Legislative Issues.

Background

Each year, the Board adopts two policy statements on a range of specific state and federal legislative issues. These documents provide the DRCOG Board, staff and lobbyists with policy direction on legislative issues during the coming year.

The Draft 2026 Policy Statement on State Legislative Issues was provided to the Board at the November meeting to give members and their staff sufficient time to review its contents before action was taken. DRCOG staff did not receive any suggested revisions.
