Agenda Item #: 17

Housing Collaboration Brief

Agenda item type: Informational item

Summary

The creation of a housing brief to be shared with gubernatorial candidates and others running for state office.

Background

DRCOG's executive director has been engaged in discussions with the executive directors of the Colorado Municipal League, Colorado Counties Inc., Metro Mayors Caucus, and Colorado Concern to align our housing work and to be more proactive in the housing space with elected officials.

The attached housing brief was a joint effort of the collective and is intended to be shared with gubernatorial and other candidates seeking state office. The primary message is to accentuate the work that has been accomplished in housing by the partners and to indicate that we are actively searching for future partnerships.
