

Board of Directors

Meeting date: May 20, 2026

Agenda Item #: 10

Infrastructure Investment and Jobs Act (IIJA) Regional Grants Navigation program Final Report

Agenda item type: Informational briefing

Summary

The Infrastructure Investment and Jobs Act Regional Grants Navigation program has ended as of April 30, 2026. WSB staff will provide the final report on the successful three year program.

Background

In 2024, the Office of Economic Development and International Trade and the Governor's Office created the IIJA Regional Grants Navigation Program. This program provided \$100,000 in annual funding for a three year period to each of the 14 regions in the state, including DRCOG. The funding was to be used to hire or contract for services to provide assistance to all of DRCOG's member local governments to apply for the many different types of grants available under both the IIJA and the Inflation Reduction Act federal funding programs.

DRCOG contracted with WSB Engineering to provide those services. This is the final report which will provide an overview of how successful the program was to the DRCOG region and the State of Colorado.
