Welcome and introductions

Emily Lindsey, Chair, welcomed attendees to the Advanced Mobility Partnership Working Group.

Informational briefings

Colorado Department of Transportation first and last mile framework
Thomas Joyce from the Colorado Department of Transportation, gave an overview of the state's work on Federal Boulevard, specifically on first and last mile research and

COLORADO
Department of Transportation

planning associated with infrastructure improvements and gap identification in the transportation network.

Regional Transportation District transportation-oriented development efforts
Chessy Brady from the Regional Transportation District, presented on transit-oriented development efforts

Discussion on microtransit coordination

Ms. Lindsey asked if any participants on the call had thoughts on the need or opportunity for microtransit coordination as partners throughout the region continue to plan for, implement and operate microtransit operations.

Working Group leadership

Ms. Lindsey asked if any Advanced Mobility Partnership partner representatives would be willing to serve as either Chair or Vice-Chair for the 2025 calendar year. Ms. Lindsey will follow up with partners following the meeting.

Partner agency updates and other matters

Ms. Lindsey asked if any participants on the call had updates. Ms. Lindsey noted that the Denver Regional Council of Governments has recommended projects for the Innovative Mobility Set-Aside which will go to the Board of Directors for approval at their December meeting. Ms. Lindsey also shared information about the Nonattainment Area Air Pollution Mitigation Enterprise's first notice of funding opportunity that will fund Community Clean Transportation Assistance projects.

Next meeting and adjournment

Ms. Lindsey thanked everyone for participating in the meeting. The next meeting is scheduled for February 4.
