Regional
transit

Evaluation process

- **Regional Review Panel** made up of DRCOG, CDOT, RTD staff, and County Transportation Forum representatives meeting in November.
- Investment priorities evaluated against **Metro Vision Themes** and **RTP Priorities**.
 - Additional information will be provided on **congestion mobility scores**, an analysis leveraging the **Equity Index**, **forum prioritization**, and **public feedback** to date.
- This evaluation will be combined with the **draft financial plan** and **coordination** between all partner agencies will determine **draft program and project investment priorities**.

Survey
Responses

1,493

People reached
at pop-up
events

34

Focus group
members

People **prefer improving transit, bike/ped infrastructure, and maintenance** over adding new lanes and roads.

54% of survey respondents ranked expand transit as high and 58% ranked increase frequency as high.

74% of survey respondents said general use lanes should have **low funding** priority or **no funding**.

68% of survey respondents said adding **more sidewalks and bike lanes** was a high priority.

Focus group participants had similar sentiments but also **emphasized maintenance**.

Safety was a frequent topic at pop-up events.

Regional Transportation Plan Pop-Up Engagement

As of October 15, 2025
