

Board of Directors

Meeting date: April 15

Agenda Item #: 8 – B

Amendments to the 2026-2029 Transportation Improvement Program

Agenda item type: Consent agenda

Summary

April 2026 Amendments to the 2026-2029 Transportation Improvement Program, known as the TIP.

Background

The region’s transportation planning process allows for Board-approved amendments to the current TIP on an as-needed basis. Typically, these amendments involve the addition or deletion of projects, or adjustments to existing projects and do not impact funding for other projects in the Transportation Improvement Program.

The projects to be amended are included in the table and listed in the attachment. The proposed amendments to the [2026-2029 TIP](#) have been found to conform with the State Implementation Plan for Air Quality.

Project Number	Sponsor	Title	Reason for Amendment	New/Removed Funding
2020-081	CDOT Region 4	CO119 Operational Improvements: Boulder to Longmont	Add funding	Add \$15,000,000 in state FASTER Safety funding
2024-085	CDOT DTR	Clean Transit Enterprise Pool	Add seven pool projects	Add \$10,109,000 in state Clean Transit Enterprise funding

Project funding transfers:

These projects involve funding transfers from one project to another. In many cases, this might be the consolidation of funding from multiple project listings into a single listing, or the merger of adjacent similar projects that will involve a combined letting. Projects are shown below paired with the other project(s) that are part of the transfer.

For this funding transfer, funding is being transferred from the Region 1 Surface Treatment Pool to the I-270 project to consolidate work along this corridor into a single TIP project, while the funding for I-270 is updated and future funding added.

Project Number	Sponsor	Title	Reason for Amendment	Internal Funding Shifts
2007-096	CDOT Region 1	Region 1 Surface Treatment Pool	Transfer funding to main project page	Transfer \$7,000,000 in state Surface Treatment funding to I270 project and zero out one pool project
2020-068	CDOT Region 1	I270 Corridor Improvements: I-70 to I-25	Add surface funding and future funding	Correct prior year funding, add \$7,000,000 from Region 1 Surface Treatment Pool, adjust funding between fiscal years, and add future funding
