Project Name: RTD Preventive Maintenance: Transit Vehicle Overhaul and Maintenance

Sponsor: RTD

Identification Number: 1997-084

Project Type: Transit Vehicles

Affected Counties: Regional

Subregions(s): None

Performance Measures: Transit Assets, Transit Safety

Affected Municipalities: None

Open to Public: None

State ID Number: None

Project Scope:

Ongoing program: Overhaul and maintenance for transit vehicles and preventive maintenance for rail rehabilitation and replacement. A portion of these 5307 funds will be applied to capital cost of contracting. RTD has privatized service on fixed-routes and private carriers provide capital maintenance in addition to fixed-route bus and contracted paratransit service. In addition to routine capital maintenance, RTD will apply 5307 capital maintenance funds to bus fuel cost and utility cost for light rail vehicles as a result of the Federal Transit Administration expanded definition of allowable cost.
