Meeting Date	Agenda Category	Agenda Item #
January 26, 2016	Action	3

SUBJECT

DRCOG's transportation planning process allows for Board-approved amendments to the current Transportation Improvement Program (TIP), taking place on an as-needed basis. Typically, these amendments involve the deletion or addition of projects or adjustments to existing projects and do not impact funding for other projects in the TIP.

PROPOSED ACTION/RECOMMENDATIONS

DRCOG staff recommends approval of the proposed amendment because it complies with the Board adopted [TIP Amendment Policy](#).

ACTION BY OTHERS

[December 21, 2015](#) – TAC recommended approval.

[January 20, 2016](#) – Board approval.

SUMMARY

The following 2016-2021 TIP policy amendment is proposed:

2016-015 RTD Route #324 Frequency Improvements – update project scope and name

Additional detail about the project amendment is shown in the attachment. Highlighted items depict proposed changes.

The DRCOG Board conditionally approved this amendment at its January 20 meeting, dependent upon a staff finding that the new proposed project scope would have a comparable score to the original scope. After review, DRCOG staff has determined that the difference in the project's score is negligible (i.e., less than one point).

The proposed policy amendment to the [2016-2021 Transportation Improvement Program](#) has been found to conform with the State Implementation Plan for Air Quality.
