

AGENDA

DRCOG REGIONAL TRANSPORTATION OPERATIONS WORKING GROUP

Wednesday, February 25, 2015
1:30 PM to 3:30 PM

Independence Pass Conference Room
(West Side on Ground Floor)
1290 Broadway

1. Welcome/Introductions
2. Denver Transuite Update
 - Experience with installation and initial operations.
3. Transuite Escrow Option
 - Denver's bid included the option to include software escrow. The bid has fixed the pricing, but it is an option that has yet to be exercised.
 - The intention is that there would be ONE escrow for the region. The stakeholders have been discussing whether to exercise the option. It was decided to bring the discussion before the RTO Working Group to include all interested jurisdictions.
4. RTD Transit Signal Priority/Bus Rapid Transit Update
 - As mentioned at the last meeting, there are realities regarding RTD's intended operations that will have impact on traffic signal operations. RTD will give an update on the standard applications intended. We will then hold an open discussion.
5. Continue Regional Transportation Operations Program Evolution Discussion
6. Other Items/Announcements
 - CDOT Coordination Update:
 - CDOT's statewide camera systems/CDOT's communications network [presentation next meeting]
 - N I-25 Managed Lanes Incident Management
 - Real-time data collection RFB
 - Connected Vehicles
 - Next meeting is scheduled for **March 25, 2015**.
