

AGENDA

DRCOG REGIONAL TRANSPORTATION OPERATIONS WORKING GROUP

Wednesday, February 27, 2019
1:30 PM to 3:30 PM
Red Rocks Conference Room
1001 17th Street, Denver
(7th Floor)

1. Welcome/Introductions
2. Mobility Choice Blueprint

DRCOG, CDOT, RTD and the Denver Metro Chamber published the [Mobility Choice Blueprint](#). This document provides a mobility vision that will influence the regional mobility planning and programming. DRCOG staff will provide a summary presentation with a focus on relevant Tactical Actions listed in the document.

3. Regional Transportation Operations & Technology (RTO&T) Call-for-Projects

DRCOG staff have begun the process of introducing the pending call-for-projects to the DRCOG committees and Board. Given the completion of the Mobility Choice Blueprint and the formation of a new mobility technology advisory committee, the call-for-projects process needs to be updated with the guidance of the DRCOG committees and Board. DRCOG staff will provide a summary of the presentation to the committees and will gather input from the working group.

4. DRCOG Regional ITS Architecture Annual Update

Brief discussion of progress and any comments or input.

5. Project Updates/Other Items/Announcements

- Next regularly-scheduled RTO working group meeting date: **March 27, 2019**
- Anticipated agenda items: CDOT Mobility Operations to present findings of the Adaptive Signal Operations Feasibility analysis; CDOT Mobility Operations to review FCC 5G installation regulations
