Wednesday, February 28, 2018  
1:30 PM to 3:30 PM  
Independence Pass Conference Room  
(West Side on Ground Floor)  
1290 Broadway

1. Welcome/Introductions

2. Discuss Regional ATSPM Concepts and Alternatives

Progressing from the ATSPM workshop and previous discussions, DRCOG will lead discussion of a regional ATSPM implementation, including: alternative approaches, potential roles and responsibilities; and, potential funding options/opportunities.

3. Discuss Regional Camera Sharing Options

At the October 2017 meeting, CDOT presented several alternatives for regional camera and video sharing. This discussion will review the status and chart out the steps to develop a shared plan.

4. RTO Funding

Several funding opportunities were presented at the ATSPM workshop. DRCOG staff will review those opportunities within the context of the current and future programming, presenting several options and scenarios for the working group to consider and provide input.

5. Regional ITS Architecture Annual Update

DRCOG staff have made several updates to the Regional ITS Architecture, following the recommendations discussed at the December 2017 meeting. DRCOG staff will provide an overview of the changes in advance of the working group's review.

6. Project Updates
