SCI Gold Corridor Working Group – Meeting #8

March 4, 2014, 1:30 pm – 4:00 pm

Anne Campbell Room, Arvada City Hall, 8101 Ralston Road, Arvada

Agenda (As of 2/25/14)

Meeting Purpose: Obtain information on a potential Xcel Pilot Initiative, provide input into stakeholder engagement efforts and refine expectations for the remainder of the process.

Welcome, Introductions and Agenda Overview

Goal: Provide a recap of the last meeting, review the meeting summary, and review and modify the agenda as needed.

Overview of Xcel Pilot Initiative

Goal: To inform CWG members about a corridor energy program that is being considered as a pilot in the Gold Corridor.

Overview of Stakeholder Engagement Efforts

Goal: To inform the CWG about corridor stakeholder engagement efforts:

- Samaria Crews, FRESC, will provide an overview of the methodology to obtain stakeholder input and the overall themes of the feedback. The full group will discuss whether input is consistent with the vision and goals, and how feedback should be incorporated if not.
- Kathleen Osher, Transit Alliance, will provide an overview of the outcomes of the Gold Corridor Citizens' Academy. The full group will discuss the outcomes and how these fit into the larger planning and stakeholder engagement context.

Update on the Status of the Catalytic Project and Corridor-wide Technical Assistance

Goal: Provide an update on the Catalytic Project RFP and Corridor-Wide SOWs. Paul Aldretti will provide a status update on the schedule for finalization and raise any questions in which full group feedback is needed.

Discuss Next Steps for the CWG

Goal: Review and refine the proposed plan for the remainder of the process, which includes completing the following activities, at a minimum:

- Finalize the Corridor Profile - Corridor reconnaissance and mapping; opportunities and challenges; vision and goals; and prioritized recommended implementation strategies
- Approve consultant deliverables and final products
- Make a recommendation on future corridor collaborative planning efforts
