SCI East Corridor Working Group – Meeting #3

*June 12, 2013, 2:30 pm – 5:00 pm
Stapleton Foundation, 7350 E. 29th Ave., Suite 300.*

Agenda (As of 6/10/13)

Meeting Purpose: *Provide final input into the Corridor Reconnaissance Baseline Data and Mapping, discuss key themes from the data and begin to outline Corridor Vision and Goals.*

Welcome, Introductions and Agenda Overview

Goal: Provide a recap of the last meeting, review the meeting summary, and review and modify the agenda as needed.

Overview of the North Denver Cornerstone Collaborative (NDCC)

Goal: Kelly Leid will provide an overview of this parallel effort, which focuses on coordinating planning and development projects in the Elyria-Swansea and Globeville, River North and Brighton Boulevard neighborhoods.

Review and Discuss East Corridor Baseline Data and Mapping

Goal: The group will discuss questions on Reconnecting America's East Corridor reconnaissance, baseline data and mapping and discuss conclusions. Information will be provided to CWG members in advance of the meeting and members are expected to come prepared with thoughts on the following questions:

- Do you have any questions on the baseline information? Does any information require clarification?
- Was any of baseline information surprising to you? If so, why?
- What do you see as key themes from this information?
- After considering this information, what makes the East Corridor unique? Where are specific opportunities? What are specific challenges to address?

Discuss Corridor Vision and Goals

Goal: The group will review the West Corridor Vision and Goals as an example and input from the Stakeholder Committee. They will then begin to brainstorm the East Corridor Vision and Goals.

Review Action Items/ Next Steps
