**1. Welcome and Introductions**

Ashley Nysten welcomed attendees to the Advanced Mobility Partnership (AMP) Working Group and announced attendees.

**2. Informational Briefings**

*CDOT Open Data Portal*

Nell Conti, CDOT and Shelley Broadway, CDOT provided an overview of CDOT's open data portal for sharing geographic information systems (GIS) data.<sup>1</sup> The portal is built using Esri's ArcGIS Hub platform and allows for spatial visualization of data on interactive webmaps, and also allows users to access or download the data to display it and use it for their needs.

#### 4. Partner Agency Updates/Other Matters

Ms. Lindsey reminded AMP members of the notice of funding opportunity for federal Rebuilding American Infrastructure with Sustainability and Equity (RAISE) grants.<sup>4</sup> Local agencies interested in applying who would like a DRCOG letter of support should attend DRCOG's June 28 Transportation Advisory Committee meeting to share their plans and collaborate with regional partners.

Kate Williams, DRMAC noted that DRMAC offers free, virtual travel training and interested agencies can sign up through their website.<sup>5</sup>

#### 5. Next Meeting and Adjournment

Ms. Lindsey thanked everyone for participating in the meeting. The next meeting is July 6, 2021.

**DATE:** July 6, 2021  
**TO:** AMP Working Group  
**FROM:** Emily Lindsey, Transportation Technology Strategist, DRCOG  
**SUBJECT:** AMP Focus Area: Shared Mobility  
**ACTION:** Information and Discussion

## SUMMARY

The AMP Working Group will have three informational briefings and discussions focused on one of the AMP priority focus areas: shared mobility. One of the priority tactical actions from Mobility Choice Blueprint associated with shared mobility is the piloting of neighborhood scale mobility hubs. At the July meeting, the AMP Working Group will be briefed on mobility-hub related efforts in the Denver region.

### *Briefing 1: CDOT Mobility Hub Program*

The Colorado Department of Transportation (CDOT)'s mobility hub program includes a draft Mobility Hub Handbook<sup>1</sup> and implementation of mobility hub projects throughout Colorado. Several of these mobility hubs are in the Denver region along the I-25 corridor and funded through Senate Bill 267.

### *Briefing 2: RTD Mobility Hub Guidelines*

Chessy Brady, Transit Oriented Development Manager and Charlie Stanfield, Transportation Planner, both with the Regional Transportation District (RTD), will provide an overview of RTD's Mobility Hub Guidelines<sup>2</sup> and updates on recent work by RTD to support mobility hubs in the region.

### *Briefing 3: City and County of Denver's Mobility Hub Strategy*

Jay Decker, Transportation and Innovation Manager with the City and County of Denver, will provide an overview of Denver's work and approach on mobility hubs.
