

# AGENDA

## DRCOG REGIONAL TRANSPORTATION OPERATIONS WORKING GROUP

Wednesday, July 26, 2017  
1:30 PM to 3:30 PM  
Independence Pass Conference Room  
(West Side on Ground Floor)  
1290 Broadway

1. Welcome/Introductions
2. Introduction – Wes Maurer, CDOT ITS Branch Manager

Wes Maurer recently started as the CDOT ITS Branch Manager. Since the purpose of the RTO Working Group is to promote strong and relevant relationships between the regional stakeholders, I have invited him to come in for an introduction and a brief presentation.

3. ATSPM Presentation – Nitin Deshpande

Automated Traffic Signal Performance Measures (ATSPM) has been discussed generally at several past RTO Working Group meetings. CDOT is interested in sharing their recent experience with the implementation of the ATSPM solution provided by UDOT and their subsequent utilization of the reports.

4. Architecture Reference for Cooperative and Intelligent Transportation (ARC-IT Version 8.0)

The latest release of the National ITS Architecture and its related tool was issued last month. DRCOG will provide a brief overview of the new release and will present an update of the implications of this update on the regional architecture and the RTO Implementation Program activities.

5. Regional Project Coordination

- On-going CDOT projects
- On-going RTD projects
- On-going DRCOG projects
- TransSuite User Group Coordination
- Centracrs User Group Coordination

6. Other Items/Announcements

- Next scheduled RTO working group meeting date: **August 23<sup>rd</sup>**
