

2014 RTD FasTracks Baseline Review and Determination Report

DENVER REGIONAL COUNCIL OF GOVERNMENTS

We make life better!

Background

- ◆ **SB-208 (1990)**
 - ◆ Directs DRCOG to review RTD-proposed rapid transit projects
- ◆ ***RTD FasTracks Baseline Report to DRCOG***
 - ◆ Required by DRCOG Board resolution (Sept. 2013)
 - ◆ Basis for identifying future changes

Review Criteria

- Project definition, scope, and implementation schedule
- Operating characteristics
- Level of bus service
- Financial plan
 - Cost vs. Revenue

Substantive Changes

- ◆ Southeast Rail Extension Staging from 2030-2035 to 2019 opening
 - Change will be reflected in the 2040 RTP
- ◆ Phase I Northwest Rail trains will not stop at 41st/Fox or Pecos Stations shared with Gold Line
 - RTD will re-evaluate this operational change after one year of service in 2017.

DRCOG staff assessment and TAC recommendation:
No SB-208 action needed.
