hi how can i be a participant?

I can't tell if my hand is up or not

Are there any funding formulas that rely on reaching or not reaching a particular performance metric?

Webinar Response 1

absolutely! thank you!

Hi there! Sorry about that, it should be unmuted now.

We will supplement the roll call with the attendee list! Thank you!

It is not, would you like to speak?

Hi Director Partridge, Melinda will call on you to ask your question next.

Webinar Question 2

Thank you I see that now. I'll let Melinda know I'm here.

Does that mean I have been included in the Roll Call?
Supplement makes me think I am on an attendee list that is
separate from roll call? This is Director LaBure (Lakewood)
Thanks!

i can't unmute myself...

I will second

Webinar Response 2

Hi Director LaBure, sorry that I wasn't clear. You'll be on the same list as the directors we heard from in the roll call!

Sorry about that! You should be unmuted now.
Perfect, thanks. Your hand is up now - not sure if you're intending that or not.
