- Summary of the October 6, 2021 Performance and Engagement Committee meeting.

EXECUTIVE SESSION Pursuant to C.R.S. 24-6-402(4)(f) – Executive Director Performance

Chair Conklin moved to go into Executive Session: For discussion of a personnel matter concerning the performance evaluation of the Executive Director, as authorized under C.R.S. Section 24-6-402 (4)(f) and not involving: any specific employees who have requested discussion of the matter in open session; any member of this body or any elected official; the appointment of any person to fill an office of this body or of an elected official; or personnel policies that do not require the discussion of matters personal to particular employees, and that the participants in the executive session include the Committee members, Randy Arnold and Jenny Dock. The motion was seconded and passed unanimously.

Members went into Executive Session at 5:40 p.m. Members returned to open session at 6:34 p.m. Chair Conklin reported that Executive Director Rex is respected, admired, and appreciated for his work supporting the region and the invaluable role he upholds at
DRCOG. It was an overall very positive review, so the committee decided to amend the Executive Directors contract to be extended.

Director Stolzmann moved to extend Executive Director Rex’s current contract and to include a 4% merit increase. Additionally, the committee gives the executive director direction to go back and participate in the salary survey with the rest of the employees to ensure that the committee does not need to make a market correction. The motion was seconded and passed unanimously.

Discussion on returning to in-person Board meetings
Executive Director Rex provided a brief reminder of current process’ and newly proposed options moving forward to the committee. Staff compiled a return to in-person meetings proposal for review by members. Members had suggested edits for staff to change on this document before it is submitted to the entire DRCOG board. There will be further discussion at the December meeting.

SUMMARY
Following the postponement of the spring 2020 awards celebration in response to the emergence of the COVID-19 pandemic, the most recent awards celebration was conducted virtually in April 2021. The Communications and Marketing division is planning the 2022 awards celebration, with deadlines for securing venue, catering and technology agreements quickly approaching. Staff invites committee feedback on recommended event format (virtual or in-person) for 2022. Staff is considering moving forward with plans for an in-person event in spring 2022, with a contingency plan to either postpone the in-person event to a later date if public health circumstances warrant, or to pivot to a virtual format.

PREVIOUS DISCUSSIONS/ACTIONS
The Performance and Engagement Committee shared feedback on the 2021 virtual awards celebration event on June 2, 2021.
