Engagement Metrics

Question Asked

I was muted during roll call. Can you please make me a participant and mark my attendance accordingly. Thank you

Was I marked as present? I can't tell if I have been unmuted at any point. Thanks.

Does that mean I have been included in the Roll Call? Supplement makes me think I am on an attendee list that is separate from roll call?

Got it thanks!

hi how can i be a participant?

i can't unmute myself...

thanks! can you record my attendance please?

i still can't unmute

Hi showing as I'm still muted by organizer

Thank you I see that now. I'll let Melinda know I'm here.

I can't tell if my hand is up or not

I will second

So red is up and green is down?! lol

Are there any funding formulas that rely on reaching or not reaching a particular performance metric?

Answer Given

absolutely! thank you!

We will supplement the roll call with the attendee list! Thank you!

Hi Director LaBure, sorry that I wasn't clear. You'll be on the same list as the directors we heard from in the roll call!

Sorry about that! You should be unmuted now.

We will do that!

Sorry about that, not sure what was happening. I'll unmute you again after this public comment period.

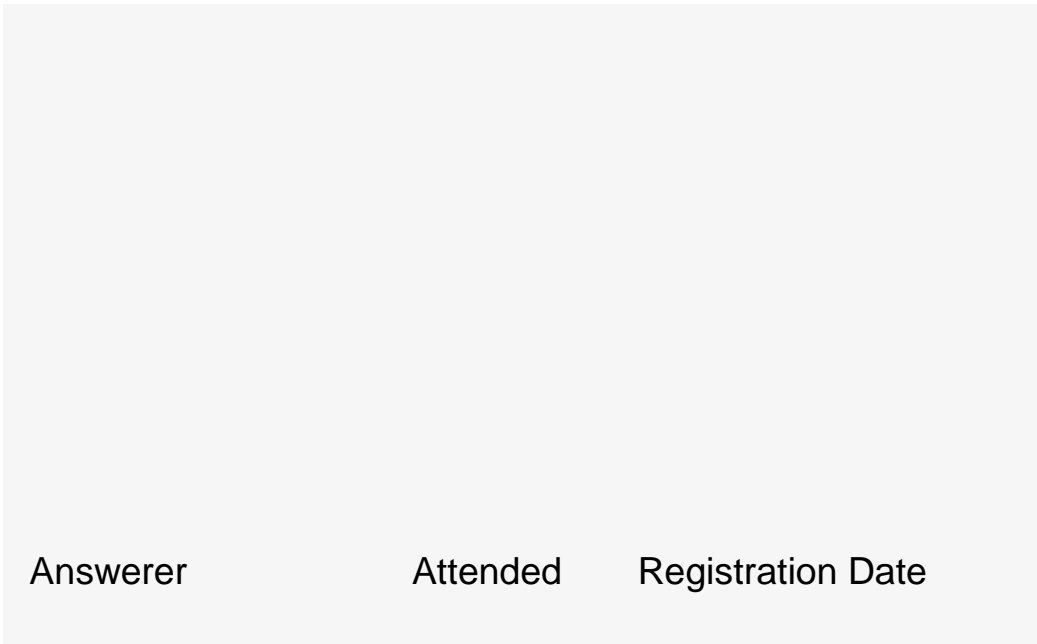

Hi there! Sorry about that, it should be unmuted now.

It is not, would you like to speak?

Perfect, thanks. Your hand is up now - not sure if you're intending that or not.

I guess so! :)

Hi Director Partridge, Melinda will call on you to ask your question next.
