Several years ago, DRCOG established a nonprofit corporation known as Regional Response. Regional Response, which meets federal 501(c)(3) requirements, is specifically empowered to contract with and to accept grants, funds, gifts or services from any federal, state or local government or its agencies and from private, civic and foundation sources. An example of a Regional Response project is the Baghdad-Denver Region Partnership for Peace. Using Regional Response, DRCOG was able to receive donations to provide transportation, meals, etc. for visiting delegations from Iraq. **The Finance and Budget Committee is vested with the control and management of Regional Response, acting as the Regional Response Board of Directors.** The Finance and Budget Committee chair serves as chair of Regional Response.

Persons in need of auxiliary aids or services, such as interpretation services or assisted listening devices, are asked to contact DRCOG at least 48 hours in advance of the meeting by calling (303) 480-6701
