Action items

8. 4:30 p.m. Discussion of state legislative Issues:
    A. Bills on Which Positions Have Previously Been Taken
       (Attachment B) Rich Mauro, Director, Legislative Affairs
       Rich Mauro will respond to questions and provide current status, if
       requested. These bills require no additional action by the Board
       unless individual bills are pulled from the package for
       reconsideration of the Board-adopted position. To change the
       Board’s position on specific legislative bills requires affirmative
       action by 2/3 of those present and voting.
    B. New Bills for Consideration and Action
       (Attachment C) Rich Mauro, Director, Legislative Affairs
       Rich Mauro will present a recommended position on any new bills
       based on the Board’s legislative policies. If a bill requires additional
       discussion, it may be pulled from the package and action will be
       taken separately. To change the Board’s position on specific
       legislative bills requires affirmative action by 2/3 of those present
       and voting.

The Chair noted new members and alternates: Justin Martinez, new member for the City of Thornton; Ryan Schuchard, new alternate for the City of Boulder; Christine Sweetland, new alternate for the City of Centennial; Kim Wright, new alternate for the City of Englewood; Roger Low, new alternate for the City of Lakewood; Shannon Lukeman-Hiromasa new alternate for the City of Northglenn; Roberta Ayala, new alternate for the City of Thornton; Claire Carmelia, new alternate for the City of Westminster; and Emily Baer new alternate for the Town of Erie.

Move to approve agenda

Director Harmon moved to approve the agenda. The motion was seconded and passed unanimously.

Report of the Chair
Chair Conklin wanted to thank Director Baker and Director Whitlow for their service as chairs for both committees for the last year.

- Director Baker reported that the Performance and Engagement Committee met prior to the meeting and solidified the date for the 2024 Board Retreat, which will take place April 26 - 27. They also discussed and provided direction to staff for desired agenda topics for the retreat.
- Director Whitlow reported the Finance and Budget Committee met and approved the consent agenda containing three resolutions, along with five other resolutions authorizing the Executive Director to:
  - negotiate and execute a contract with Nelson/Nygaard to develop a regional Active Transportation Plan in an amount not to exceed $350,000 for a term not to exceed 24 months from the date of contract execution.
  - negotiate and execute a contract with Fehr and Peers for the North Federal Microtransit study in an amount not to exceed $74,525 for a term of 14-months from the date of contract execution.
  - execute a contract with the Regional Transportation District for support and acceptance of the vanpool services offered by the Denver Regional Council of Governments' Way to Go program in an amount not to exceed $583,000 beginning on January 1, 2024, and terminating on December 31, 2024.
  - execute a contract with Enterprise Leasing Company of Denver, LLC to provide vanpool services for the Way to Go vanpool program, in a total amount not to exceed $583,000 per year, beginning on January 1, 2024, and terminating on December 31, 2024, with the option to renew for two additional one-year terms upon satisfactory performance.
  - negotiate and execute a contract with Charitable Rides and Adult Services, LLC doing business as OnTheGo in an amount not to exceed $125,000 for the period beginning on March 1, 2024 and ending February 28, 2025 with option to renew for and three additional one-year terms upon satisfactory performance.
Report of the Executive Director

- Consent Agenda: Executive Director Rex informed the directors that there were more items than normal on consent and of course any member was welcome to pull an item from consent for further discussion, if needed.
- Executive Director Rex wanted to welcome Dr. Jose Sanchez, a new professor at Colorado University of Denver and acknowledge his research interest which is regional planning and collaboration.
- Legislation: DRCOG staff has been working with regional and state associations on introduced or pending legislation. There has been a significant amount of time spent on House Bill 24-1313, which concerns Transit-Oriented Communities. The Board will take a position on this bill at the March Special Board of Directors meeting.
- Regional Housing Needs Assessment: The second phase of the assessment is underway and DRCOG will be hosting discussions with over 10 stakeholder groups throughout the month of March. Staff prepared and submitted a proposal to the Department of Local Affairs through the Energy and Mineral Impact Fund for $200,000 to support the Regional Housing Strategy and the proposal was accepted and chosen to receive these funds.
- Executive Director Rex wanted to thank Chair Conklin for his service on the Board as Chair for the last year.

Public Comment
There was no public comment.

Move to approve consent agenda
Director Kondo moved to approve the consent agenda. The motion was seconded and passed unanimously.

Items on the consent agenda included:
- Summary of the January 17, 2024 meeting.
- Appointments to the Performance & Engagement and Finance & Budget committees.
- Transportation Improvement Program Policy Amendments.

Discussion of appointments to the Front Range Passenger Rail District Board
Jacob Riger provided an overview of the Board and the selection process to the directors. DRCOG has four representatives on the Front Range Passenger Rail District Board, all appointed by the DRCOG Board in February 2022. Two of the four representatives have 4-year terms, and the other two representatives have initial 2-year terms that expire March 1, 2024. DRCOG staff solicited candidates for these two expiring appointments from December 19, 2023 to January 19, 2024 and received six applications. DRCOG’s Nominating Committee – comprised of Nicole Speer, Boulder; Kevin Flynn, Denver; Jeslin
Shahrezaei, Lakewood; Stephen Barr, Littleton; and John Diak, Parker – considered all individuals who applied to represent DRCOG on the Front Range Passenger Rail District Board. After discussion and consideration, the Nominating Committee recommended the following candidates:

- Joan Peck, Mayor, Longmont
- Sarah Nurmela, Mayor Pro Tem, Westminster

Director Mulvey moved to approve the DRCOG Nominating Committee’s recommended candidates to represent DRCOG on the Front Range Passenger Rail District Board. The motion was seconded and passed unanimously.

Discussion of the Denver Regional Council of Governments Priority Climate Action Plan

Robert Spotts and Maddy Nesbit provided an updated overview of the plan and implementation timeline to the directors. Staff presented an overview of the draft Priority Climate Action Plan at the January 17 Board meeting in advance of the DRCOG Board considering adopting the plan. The plan includes a greenhouse gas emissions inventory, a low-income and disadvantaged communities analysis, an overview of public and stakeholder feedback, and quantified climate pollution reduction measures. The plan is a pre-requisite for any eligible entity to compete in the second phase of the Climate Pollution Reduction Grant program that will competitively award $4.6 billion for implementation projects. Through a three-month long planning process, a set of eight voluntary strategies aimed at reducing climate pollution were identified. These interconnected strategies prioritize investment in the residential and commercial building sector, the transportation sector, and workforce development while addressing economic disparities by prioritizing equitable access to benefits and ensuring that vulnerable communities receive a fair share of the opportunities arising from these investments.

Director Ward moved to adopt the Denver Regional Council of Governments Priority Climate Action Plan to be submitted to the U.S. Environmental Protection Agency by March 1, 2024. The motion was seconded and passed 35 in favor and two opposed.

Election of Officers

Director Speer, Chair of the Nominating Committee, along with Directors Flynn, Shahrezaei, Barr, and Diak, considered all individuals who submitted their names to serve as Board officers. After discussion and consideration, the candidates proposed were recommended unanimously by the Nominating Committee:

- Chair – Wynne Shaw, Mayor Pro Tem, City of Lone Tree
- Vice Chair – Jeff Baker, County Commissioner, Arapahoe County
- Secretary – Colleen Whitlow, Mayor, Town of Mead
- Treasurer – Richard Kondo, Council Member, City of Northglenn
- Immediate Past Chair – Steve Conklin, Mayor, City of Edgewater

Director Weil moved to elect Board officers for 2024 as presented. The motion was seconded and passed unanimously.
Discussion to select representatives to serve on the Regional Transportation Committee, Statewide Transportation Advisory Committee, and E-470 Board of Directors.

Interest was solicited for directors to serve as DRCOG’s representatives on the Regional Transportation Committee, the State Transportation Advisory Committee, and E-470 Board of Directors. New members of the Advisory Committee on Aging are appointed by the Board Chair; Paul Haseman, Judi Kern, and Lisa Feret were appointed to the committee. The following directors submitted their names for consideration on the following committees:

- **Regional Transportation Committee:**
  - Greg Mills, City of Brighton
  - Randy Weil, City of Cherry Hills Village
  - Deborah Mulvey, City of Castle Pines; Alternate Director Lantz moved to approve Board members to serve on the Regional Transportation Committee, with the addition of Austin Ward and Steve Conklin as alternates. The motion was seconded and passed unanimously.

- **Statewide Transportation Advisory Committee:**
  - Steve O'Dorisio, Adams County
  - Greg Mills, City of Brighton
  - Director Flynn moved to approve Steve O'Dorisio to serve as the member and Greg Mills to serve as the alternate on the Statewide Transportation Advisory Committee. The motion was seconded and passed unanimously.

- **E-470 Board of Directors:**
  - Deborah Mulvey, City of Castle Pines
  - By acclimation, the Board moved to approve the Board member to serve on the E-470 Board of Directors. The motion passed unanimously.

Discussion of state legislative issues: Bills on Which Positions Have Previously Been Taken
Rich Mauro provided a status update on bills previously acted upon by the Board to the directors. Mr. Mauro responded to questions about these bills. No additional action by the Board was required.

Discussion of state legislative issues: New Bills for Consideration and Action
Rich Mauro, Ed Bowditch, and Jennifer Cassell provided an overview of new bills for consideration to the Board. There was one new bill regarding aging, three new bills regarding transportation, and four new bills regarding housing for discussion and action. The following bills were voted on separately:
House Bill 24-1211 – State Funding for Senior Services Contingency Fund

<td>Senate Bill 24-040</td>
<td>State Funding for Senior Services - For the 2024-25 state fiscal year, the bill appropriates $5 million from the General Fund to the Department of Human Services for state funding for senior services. Requires the General Assembly to annually adjust for inflation the General Fund appropriation for state funding for senior services. No later than August 2024, and each August every 3 years thereafter, the bill requires the CDHS, the Office of State Planning and Budgeting, and representatives from area agencies on aging to review the adequacy of the appropriation for senior services for the prior 3 fiscal years to address the needs of older adults who request services pursuant to the &quot;Older Coloradans' Act&quot;. CDHS is required to report the findings of the adequacy review to the General Assembly.</td>

<td>The area agencies on aging (AAAs) have not received an increase in state base funding since 2018. Temporary funding received since 2019 (including excess homestead exemption dollars and pandemic relief) is coming to an end in 2024. Without an increase in funding, the AAAs will be faced with a serious fiscal cliff, as they struggle to meet 2024 demand and cost levels with 2018 budget levels. This bill will help with the funding concerns, while putting in place mechanisms to address longer term funding stability.</td>
<td>Increasing the appropriations to the State Funding for Senior Services line item in the Long Bill. This includes increasing the continuing appropriation to the Older Coloradans Cash Fund, as well as any additional state general fund monies that might become available. DRCOG specifically supports a stable, long-term funding source that increases to meet the growing need for services, which would provide a level of funding certainty that would improve yearly program planning for needed services.</td>

<td>House Bill 24-1052</td>
<td>Senior Housing Income Tax Credit - Reinstates a refundable income tax credit that was available for income tax year 2022, so that the credit is available for 2024. The credit is for a qualifying senior, which means a resident individual who: is 65 or older at the end of 2024; has federal adjusted gross income (AGI) less than or equal to $75,000 if filing a single return, or less than or equal to $150,000 if filing a joint return; and has not claimed the senior property tax exemption for the 2024 property tax year. The amount of the credit is: $1,000 for a qualifying senior filing a single return with federal AGI that is $25,000 or less. For every $500 of AGI above $25,000, the amount of the credit is reduced by $10; $1,000 for a qualifying senior filing a joint return with another individual who is not a qualifying senior with federal AGI that is $50,000 or less. For every $500 of AGI above $50,000, the amount of the credit is reduced by $10; $2,000 for a qualifying senior filing a joint return with another qualifying senior with federal AGI that is $50,000 or less. For every $500 of AGI above $50,000, the amount of the credit is reduced by $10. <td>For income tax year 2024, the bill creates a means-tested, refundable income tax credit available to Colorado taxpayers who are at least 65 years old as of the end of the tax year, and whose adjusted gross income falls below a cap, and who have not claimed a homestead property tax exemption for the 2024 property tax year. The amount of the credit depends on the taxpayer’s income and filing status. Regardless of income, a taxpayer who also qualifies for the existing property tax relief to help reduce a tax liability that especially burdens low-income seniors and older adults on fixed incomes.</td>
<td>No specific Board policy on income tax. However, the Board has several policies supporting increased state financial support to benefit people of all ages, incomes and abilities. The Board also has a specific policy supporting: Property tax relief to help reduce a tax liability that especially burdens low-income seniors and older adults on fixed incomes.</td>

<td>Senate Bill 24-036</td>
<td>Vulnerable Road User Protection Enterprise creates the Vulnerable Road User Protection Enterprise in the Department of Transportation (CDOT) for the purpose of providing funding for transportation system infrastructure improvements and other data-driven strategies identified in the Federal Highway Administration-mandated Vulnerable Road User Safety Assessment, which CDOT is required to develop, that reduce the number of collisions with motor vehicles that result in death or serious injury to vulnerable road users. The enterprise is required to impose a Vulnerable Road User Protection Fee in tiered amounts that are calculated based on motor vehicle weight and configuration, on the registration of passenger cars and light trucks that are not commercial vehicles. The enterprise is authorized to provide grants, subject to specified parameters, matching money requirements, and the use of grant money, to fund eligible projects.</td>

<td>DRCOG staff has suggested to the sponsors that it makes more sense for the Transportation Commission to be the Board of the enterprise. Since the ~$20m revenue estimate is relatively small, instead of creating a new administrative burden and grant process that would take resources from this revenue stream, it makes sense for the enterprise provide formula funding to the counties and municipalities within the area where the fees are assessed (possibly based on vehicle registrations, amount raised, or number of bike/pedestrian fatalities?). CDOT already receives 60% of ~$80m per year) from the FASTER Safety surcharge. This funding should go to county and municipal roads and streets. The PPACG and Grand Valley MPO staff also support a formula funding approach rather than competitive grants.</td>

<td>Construction Professional Insurance Coverage Transparency- requires the Division of Insurance in the Department of Regulatory Agencies (DORA) to provide for a study of construction liability insurance for construction professionals and submit a report to the General Assembly by December 31, 2026. The report must include: insurers offering construction liability policies in the state, including to residential property developers; rates and the basis for rates charged by insurers, to include five years of data, where available; risk factors, classifications, and coverage descriptions that insurers use to set rates; a comparison of rates charged in other states in the region for similar residential projects; policy coverage terms; limitations or exclusions from coverage; and the appropriate policy limits for a residential project with regard to the size and cost of construction. The bill also requires builders and sellers of new residences to provide the purchasers and the county clerk and recorder’s office with information regarding the property’s construction liability insurance coverage. The bill creates a civil cause of action for purchasers of a new residence to file suit against sellers that violate these provisions.</td>

<td>Senate Bill 24-106</td>
<td><strong>Right to Remedy Construction Defects</strong> - clarifies that a person that has had a claim brought on the person's behalf is also considered a claimant, so the act applies to the person for whom the claim is brought; creates a right for a construction professional to remedy a claim made against the professional by doing remedial work or hiring another professional to perform the work; in addition to mediation, adds other forms of alternative dispute resolution for which the claim would be held in abeyance and makes them binding; for a settlement offer of a payment made in a claim, payment constitutes a settlement. To bring a claim or related action, a unit owners' association must obtain written consent of at least 2/3 of actual owners of units in the common interest community. A claimant is barred from seeking damages for failing to comply with building codes or industry standards unless the failure results in: actual damage to property; actual loss of the use of real or personal property; bodily injury or wrongful death; or a risk of bodily injury or death to, or a threat to the life, health, or safety of, the occupants. <td>as of January 1, 2025, prohibits a county or municipality from enforcing minimum parking requirements for real property that is within a metropolitan planning organization. This prohibition does not prohibit a county or municipality from: lowering protections provided for persons with disabilities; from enacting or enforcing a maximum parking requirement; or enacting or enforcing a minimum parking requirement for bicycles. Allows a imposition of the following requirements on a parking space that is voluntarily provided in connection with a development project: that the owners of such a motor vehicle parking space charge for the use of the space; and that such a motor vehicle parking space allow for vehicle charging stations in accordance with existing law. Requires a county or municipality on or after June 30, 2025, to submit a report to the Department of Local Affairs detailing compliance with the requirements of the bill. The bill provides a process for the review of such a report.</td>

<td>House Bill 1313</td>
<td><strong>Housing in Transit-Oriented Communities</strong> - The bill requires local governments to meet a housing opportunity goal if the local government is defined as a transit-oriented community.</td>

<td>Staff has attended stakeholder meetings on this bill. The bill's first hearing is scheduled for March 6. The sponsors are likely to offer amendments at the meeting.</td>
<td>DRCOG supports: Diverse housing options to meet the needs of residents of all ages, incomes and abilities; increased opportunities for diverse housing accessible by multimodal transportation to meet regional housing needs in connection with the regional multimodal transportation system; state policy that incentivizes local governments to adopt land use policies aimed at increasing a diverse supply of housing stock.</td>

A transit-oriented community is one that:

- Is entirely within a metropolitan planning organization;
- Has a population of 4,000 or more; and
- Contains at least 75 acres of certain transit-related areas; or

If the local government is a county, contains either a part of:

- A transit station area that is both in an unincorporated part of the county and within one-half mile of a station that serves a commuter rail service or light rail service; or
- A transit corridor area that both is in an unincorporated part of the county and is fully encompassed by one or more municipalities.
Summary of HB 24-1313 components

• Establishes “Transit-Oriented Communities” (TOC) as a new category of local governments
• Creates requirements for each TOC to develop housing opportunity goal (zoning compliance goal) for areas near transit
• Requires TOCs to identify affordability strategies
• Requires TOCs to identify displacement mitigation strategies
Transit oriented communities

• Entirely or partially within an MPO
• Population $\geq 4,000$
• Contains at least 75 acres of transit area
• If a county –
  o Contains part of a transit station area in an unincorporated area, or
  o Contains a transit corridor area in an unincorporated area and fully encompassed by one or more municipalities.
Transit areas

• Transit station area – within ½ mile of a station that serves commuter bus rapid transit, commuter rail, light rail, or frequent bus service that operates primarily on an interstate highway.

• Transit corridor area – within ¼ mile of a public bus route that:
  o Has scheduled frequency of 15 minutes or less during highest frequency service hours, or
  o Is an urban bus rapid transit service.
Housing opportunity goal explanation

- Multiply the total acres of all transit areas within the transit oriented community, excluding exempt parcels, by 40 units per acre.

- Exempt parcels – agricultural, natural resource preservation, open space zoning district; industrial zoning or use; floodway or floodplain; cemetery; airport; public or railroad right-of-way; mobile home park; federal or state owned; park and open space.
Timeline for compliance – HB 24-1313

• By January 31, 2025, TOC must submit a preliminary transit-oriented community assessment report

• By December 31, 2026, must submit a housing opportunity goal report
  • Shows that you have met the housing opportunity goal
  • may notify DOLA of insufficient water supply to meet housing opportunity goal
  • requires affordability strategies
  • requires displacement mitigation strategies
Demonstrating compliance

• Designate "transit centers"
  o Composed solely of zoning districts that allow net $\geq 15$ units per acre.
  o Establish administrative approval for MF development on parcels $\leq 5$ acres.
  o Wholly or partially within a transit area

• Ensure total zoning capacity of all designated transit centers is greater than housing opportunity goal.

• Submit housing opportunity goal report and have report approved by DOLA.
Nonqualified TOC – Hwy users fund allocation

• If a TOC does not submit a housing opportunity goal report by December 31, 2026 or DOLA does not approve the report, the TOC is a nonqualified TOC.

• Beginning December 31, 2026, and every month thereafter
  • Highway User Tax allocation will be transferred to the Transit-Oriented Communities Highway Users Tax account if the local government is a nonqualified TOC.

• If DOLA does not approve a TOC housing opportunity goal report by December 31, 2027, DOLA may seek an injunction requiring TOC to comply
