AGENDA
BOARD OF DIRECTORS
WEDNESDAY, May 16, 2018
6:30 – 8:40 p.m.
1290 Broadway
First Floor Independence Pass Conference Room

1. 6:30 Call to Order
2. Pledge of Allegiance
3. Roll Call and Introduction of New Members and Alternates
4. Move to Approve Agenda
5. 6:35 Report of the Chair
   • Report on Regional Transportation Committee
   • Report on Performance and Engagement Committee
   • Report on Finance and Budget Committee
6. 6:45 Report of the Executive Director
7. 6:55 Public Comment
   Up to 45 minutes is allocated now for public comment and each speaker will be limited to 3 minutes. If there are additional requests from the public to address the Board, time will be allocated at the end of the meeting to complete public comment. The chair requests that there be no public comment on issues for which a prior public hearing has been held before this Board. Consent and action items will begin immediately after the last speaker.

CONSENT AGENDA
8. 7:15 Move to Approve Consent Agenda
   • Minutes of April 18, 2018
     (Attachment A)

TIMES LISTED WITH EACH AGENDA ITEM ARE APPROXIMATE
IT IS REQUESTED THAT ALL CELL PHONES BE SILENCED
DURING THE BOARD OF DIRECTORS MEETING. THANK YOU

Persons in need of auxiliary aids or services, such as interpretation services or assisted listening devices, are asked to contact DRCOG at least 48 hours in advance of the meeting by calling (303) 480-6701.
ACTION AGENDA

9. 7:20 Discussion of Title VI Plan
   (Attachment B) Matthew Helfant, Senior Transportation Planner,
   Transportation Planning & Operations

10. 7:30 Discussion of selection of Transportation Demand Management Pool projects
    (Attachment C) Emily Lindsey, Transportation Planner, Transportation Planning
    & Operations

INFORMATIONAL BRIEFINGS

11. 7:45 Legislative Wrap-up
    (Attachment D) Rich Mauro, Senior Policy and Legislative Analyst

12. 8:00 Presentation on Regional Transportation District Annual FasTracks Status Report
    (Attachment E) Bill Van Meter, Regional Transportation District

13. 8:15 Presentation on Bike to Work Day
    (Attachment F) Steve Erickson, Director, Communications & Marketing

14. 8:25 Update on 2020 Census
    (Attachment G) Ashley Summers, IS Manager, Regional Planning & Development

15. 8:35 Committee Reports
    The Chair requests these reports be brief, reflect decisions made and
    information germane to the business of DRCOG
    A. Report on State Transportation Advisory Committee – Elise Jones
    B. Report from Metro Mayors Caucus – Herb Atchison
    C. Report from Metro Area County Commissioners – Roger Partridge
    D. Report from Advisory Committee on Aging – Jayla Sanchez-Warren
    E. Report from Regional Air Quality Council – Doug Rex
    F. Report on E-470 Authority – Ron Rakowsky
    G. Report on FasTracks – Bill Van Meter

INFORMATIONAL ITEMS

16. Scorecard report on Promote Informed Decisions and Website Traffic
    (Attachment H) Jerry Stigall, Director, Organizational Development

17. 2018-2021 Transportation Improvement Program Administrative Modifications
    (Attachment I) Todd Cottrell, Senior Transportation Planner, Transportation Planning
    & Operations
ADMINISTRATIVE ITEMS

18. Next Meeting – June 27, 2018

19. Other Matters by Members

20. 8:45 Adjourn
SPECIAL DATES TO NOTE

Transportation and Personal Mobility Short Course May 17, 2018

DRCOG move to new offices June 8, 2018

Bike To Work Day June 27, 2018

For additional information please contact Connie Garcia at 303-480-6701 or cgarcia@drcog.org

CALENDAR OF FUTURE MEETINGS

May 2018

15 Regional Transportation Committee CANCELLED
16 Finance and Budget Committee 5:30 p.m.
16 Board of Directors 6:30 p.m.
18 Advisory Committee on Aging Noon – 3 p.m.
28 Transportation Advisory Committee 1:30 p.m.

June 2018

6 Board Work Session 4:00 p.m.
6 Performance and Engagement Committee 5:30 p.m.
19 Regional Transportation Committee 8:30 a.m.
27 Finance and Budget Committee 5:30 p.m.*
27 Board of Directors 6:30 p.m.*
15 Advisory Committee on Aging Noon – 3 p.m.
25 Transportation Advisory Committee 1:30 p.m.

July 2018

4 Board Work Session CANCELLED
17 Regional Transportation Committee 8:30 a.m.
18 Finance and Budget Committee 5:30 p.m.*
18 Performance and Engagement Committee 5:30 p.m.*
18 Board of Directors 6:30 p.m.*
20 Advisory Committee on Aging Noon – 3 p.m.
23 Transportation Advisory Committee 1:30 p.m.

*Please note change in day and time for these meetings.

Others Present: Douglas W Rex, Executive Director, Connie Garcia, Executive Assistant/Board Coordinator, DRCOG; Steve O’Dorisio, Jeanne Shreve, Adams County; Mac Callison, Aurora; Brad Bolan, Castle Rock; George Lantz, Greenwood Village; Larry
Chair Herb Atchison called the meeting to order at 6:31 p.m. with a quorum present. Director Sullivan, Lyons, introduced a new alternate for Lyons, Barney Dreistadt. Chair Atchison introduced a new member representative for Bow Mar, Margo Ramsden.

Move to approve agenda

    Director Rakowsky moved to approve the modified agenda. The motion was seconded and passed unanimously.

Presentation on Mobility Choice
Doug Rex introduced Chris Primus, HDR, who provided an update on the Mobility Choice Blueprint. Mr. Primus introduced his partner on the project, Kaia Nesbitt. A member asked where and how the sample for the initial in-home interviews was determined. Ms. Nesbitt reported the sample locations were selected by a recruiting agency. There was a broad spread of locations, socio-economic and ethnicity factors used. A map of the locations will be provided at the next update. Mr. Primus mentioned a survey launched last week and asked the Board directors to share it via email and social media. Some noted they had taken the survey, however they didn’t share it because the resulting persona wasn’t something they agreed with.

Report of the Chair
• Director Diak reported the P&E Committee worked on the Board Workshop agenda and conflict of interest policy. He noted the Executive Director evaluation tool will be distributed to members in early May and encouraged members to fill out the survey.
• Director Stolzmann reported the Finance and Budget Committee did not meet.

Report of the Executive Director
• Doug Rex noted 38 Board directors are signed up for the awards event, being held on Wednesday, April 27 at the Hyatt downtown. He encouraged all directors to attend.
• The next Small Communities/Hot Topics forum is scheduled for May 30. The topic is Regional Economics 101.
• DRCOG, in partnership with the Urban Land Institute (ULI), will bring the Urban Plan Training Program to Colorado. The program is a realistic, engaging exercise about the forces that affect real estate development and the important role that elected leaders play in the process. DRCOG is hosting the event on July 16.
• Mr. Rex noted the DRCOG office move is scheduled to occur on June 8. The June Board of Directors meeting is moving to June 27, and will be held in the new DRCOG office building at 1001 17th Street. He noted that CDOT is also moving to new offices at Federal Blvd. and Howard Place in mid-May.
• The July Board Work Session is cancelled, due to a conflict with the Independence Day holiday.
Public comment
Randle Loeb, Citizen, provided comment on including homeless people in development and housing decision-making.

Move to approve consent agenda

Director Rakowsky moved to approve the consent agenda as amended. The motion was seconded and passed unanimously.

Items on the consent agenda included:
- Minutes of the March 21, 2018 meeting

Discussion of appointments to the Finance and Budget and Performance and Engagement committees
Members discussed the Nominating Committee’s recommendation. Director Vittum requested his name be added to the Finance and Budget Committee list.

Director Baker moved to appoint members to the Finance and Budget and Performance and Engagement committees as recommended by the Nominating Committee, as amended with the addition of Director Vittum for the Finance and Budget Committee. The motion was seconded and passed unanimously.

Discussion of appointments to the Regional Transportation Committee
Directors Rakowsky, Beacom, Dale, Shaw, and Teal expressed interest in serving as members of the Regional Transportation Committee. A ballot vote was taken, with Directors Rakowsky and Beacom receiving the most votes. Directors Dale, Shaw, Teal, and Christman expressed interest in serving as alternates. Director Henry expressed concern about the time of the meeting (8:30 a.m.), as it may limit participation by Board Directors with regular jobs.

Director Flynn moved to appoint Directors Rakowsky and Beacom to serve as members of the Regional Transportation Committee. The motion was seconded and passed unanimously.

Director Stolzmann moved to appoint Directors Teal, O’Dorisio, Christman, Dale, and Shaw to serve as alternates to the Regional Transportation Committee. The motion was seconded and passed unanimously.

Discussion of amendments to the Metro Vision Plan
Brad Calvert, Director, Regional Planning & Development, provided an overview of the amendments.

Director Graves moved to adopt a resolution amending the Metro Vision Plan. The motion was seconded and passed unanimously.
Discussion of amendments to the 2040 Fiscally Constrained Regional Transportation Plan and associated air quality conformity document

Jacob Riger, Long Range Transportation Planning Manager, provided a brief overview of the proposed amendments.

Director Szabo moved to adopt the 2040 Metro Vision Regional Transportation Plan as amended and updated, and the associated DRCOG CO and PM-10 Conformity Determination and the Denver Southern Subarea 8-hour Ozone Conformity Determination. The motion was seconded and passed unanimously.

Discussion of amendments to the 2018-2021 Transportation Improvement Program (TIP)

Todd Cottrell, Senior Transportation Planner, provided an overview of the proposed amendments. Director Henry asked for clarification on adjustment of funds on the US-85/Vasquez project. Danny Herrmann, CDOT, noted the FY 18 regional design program funds will be taken from the I-270/Vasquez project and moved to the South I-25 PEL project, and FY 19 regional priority program funds will be moved to the I-270/Vasquez project from the South I-25 project. This funding and year swap will not delay the project, and leaves the total amount of funding unchanged. This amendment is necessary for CDOT cash management purposes so that available funding is not at risk of being removed for being unspent.

Director Teal moved to amend the 2018-2021 Transportation Improvement Program. The motion was seconded and passed unanimously.

Discussion of Regional Share evaluation criteria

Ron Papsdorf, Director, Transportation Planning & Operations, briefed members on the discussion at the TIP Policy Work Group subsequent to the March Board meeting and April 4 Board Work Session.

Director Fifer moved to approve the TIP Regional Share evaluation criteria to be included in the 2020-2023 TIP Policy document. The motion was seconded and passed unanimously.

Discussion of Regional Share project recommendation process

Ron Papsdorf provided an overview of the proposed method for scoring, recommending, and approving TIP Regional Share project applications. The proposed method was discussed at the April 4 Board Work Session, and was moved forward to the Board. Director Graves noted he would be interested in having an overview of each of the subregional processes at a future meeting. A question was asked about when the subject matter experts would be selected. Staff noted the intent is to have those individuals identified prior to the call for projects.

Director Brockett moved to approve the method for scoring, recommending, and approving TIP Regional Share project applications to be included in the
2020-2023 TIP Policy document. The motion was seconded and passed with 1 opposed.

Discussion of federally-required performance-based planning targets (delay and travel mode share)
Jacob Riger, DRCOG staff, and Darius Pakbaz, CDOT staff, provided an overview of this item. the FAST Act requires state DOTs and MPOs to annually set targets and report on progress toward achieving the targets on several topics (such as safety, infrastructure, system performance, and transit asset management) in support of a performance-based approach to transportation planning and programming.

Director Flynn moved to approve the proposed targets for Peak Hour of Excessive Delay (PHED) and Non-Single Occupancy vehicle (SOV) travel targets as part of the performance-based planning requirements of the Fixing America’s Surface Transportation (FAST) Act. The motion was seconded and passed unanimously.

Discussion of State Legislative Issues
New bills: One new Aging bill included in the agenda packet: HB 18-1315 – Manufactured Home Sales Tax Exemption; and one sent to members on Monday: HB 18-1380 – Grants for Property Tax Rent and Heat, were discussed Staff recommends a position of support on both bills.

Director Rakowsky moved a position of support for HB 18-1315 and HB 18-1380. The motion was seconded and passed unanimously.

Mr. Mauro provided an update on SB 18-001 and HB 18-1340 transportation bills. Significant amendments were made to SB 18-001, it is sitting in Appropriations. HB 18-1340 initially split funds as follows: 35% to CDOT, 50% to counties and municipalities (25% each) and 15% to transit. Mr. Mauro noted staff is requesting Board direction on a position, and permission for staff and the Executive Committee members to speak on behalf of DRCOG for the two bills at the legislature, given the short amount of time left in the session.

Jennifer Cassell reported on a meeting she had with Representative Faith Winter (Chair of the House Transportation Committee) on SB 18-001. The House Democrats would like to change SB 18-001 from a bonding bill to a spending bill. Rep Winter wants to create a five-year funding plan for transportation, with ~$495 million in the first year (2018-2019), and ~$140 million per year for the next five years. In addition, the bill would remove the prohibition on managed lanes, and work on increasing the local share. The budget stabilization factor would need to remain flat; meaning there would be no hit to K-12 education funding.

Director Jones moved to direct the lobbying team, Executive Committee members, and the Executive Director to advocate DRCOG’s position on the two transportation bills around the principles of no bonding without new revenue,
must contain a substantial local share, a substantial multimodal share, for all six years, and no restrictions on managed lanes. The motion was seconded. There was discussion.

Members noted opposition to and support for the motion. Members expressed support for the members of the Executive Committee and staff to advocate DRCOG’s position on behalf of the Board.

After discussion, the motion passed with 31 in favor, and 4 opposed.

Committee Reports
**State Transportation Advisory Committee** – Director Jones reported the STAC received a presentation from Wade Buchanan, the Governor’s new Senior Advisor on Aging, on mobility for seniors; an update on the federal omnibus bill and the Safe Routes to Schools program. CDOT is working to develop a transit project list to be used in the event additional transit funding becomes available. Local governments are welcome to weigh in on the list. CDOT has completed phase 1 of the Statewide TDM Plan, hoping to complete phase 2 this summer. **Metro Mayors Caucus** – Director Graves noted the Metro Mayors received a presentation by the Census Bureau. He requested a Census briefing at a future Board meeting. **Metro Area County Commissioners** – Director Thomas reported the MACC discussed emergency management. **Advisory Committee on Aging** – Jayla Sanchez-Warren noted the ACA has not met this month. Ms. Sanchez-Warren reported the assisted living regulations were approved by the Board of Health. **Regional Air Quality Council** – Doug Rex reported the council received an update on the executive director search. The group received a presentation on transport and chemistry modeling for the front range area. Mr. Rex noted the Air Quality Control Commission is submitting an exceptional event to EPA because of wildfires that occurred in September 2017, causing high ozone levels. **E-470 Authority** – Director Rakowsky noted the annual $10 per vehicle registration fee for E-470 bonding will end September 1, 2018. The design contract for the next widening project was approved. **Report on FasTracks** – Bill Van Meter reported the Planning/Capital Programs and FasTracks meeting the Board approved right-of-way acquisition for the North Metro project. He noted the 16th Street Mall NEPA and alternatives analysis is progressing, with anticipated release to the public for review in June. The SH-119 bus/rapid transit project is moving along, with substantial completion of environmental work and alternatives anticipated by early next year. The RTD Board is beginning to examine the recommendations of the Pass Program Working Group.

Next meeting – April 18, 2018

Other matters by members
No other matters were discussed.
Adjournment
The meeting adjourned at 8:49 p.m.

SUBJECT  
DRCOG Title VI Implementation Plan.

PROPOSED ACTION/RECOMMENDATIONS  
DRCOG staff recommends approval of the draft DRCOG Title VI Implementation Plan.

ACTION BY OTHERS  
April 23, 2018- TAC recommended approval.  
June 19, 2018- RTC will act on the recommendation.

SUMMARY  
As a federal funding recipient, DRCOG must have a Title VI Implementation Plan to guide non-discriminatory practices that ensure equal access to all federally-assisted programs and activities.

Staff submitted a draft Title VI Implementation Plan to CDOT, who administers DRCOG’s federal transportation grants, and received concurrence. While this plan is new, it documents a compilation of activities DRCOG already performs. The final requirement is adoption by the DRCOG Board and concurrence by RTC.

From time to time, this document will require non-substantive technical amendments, such as updating prior year accomplishments or updating references to other plans as they are updated and reviewed by the Board (such as the Public Involvement Plan and Limited English Proficiency Plan). Staff will make those minor amendments as needed and seek formal adoption when there are major updates to the Title VI Implementation Plan.

PREVIOUS DISCUSSIONS/ACTIONS  
N/A

PROPOSED MOTION  
Move to approve the draft DRCOG Title VI Implementation Plan contingent on the Regional Transportation Committee’s concurrence.

INTRODUCTION

The Denver Regional Council of Governments (DRCOG) serves as a planning organization, technical assistance provider and forum for visionary local member governments. It serves the following purposes:

- Functions as a regional planning commission per Colorado state statute and prepares the plan for the physical development of the region, known as Metro Vision;
- Federally designated area agency on aging (AAA), and
- Federally designated metropolitan planning organization (MPO) for the region.

DRCOG is a recipient of federal financial assistance. All recipients are required to comply with various nondiscrimination laws and regulations, including Title VI of the Civil Rights Act of 1964 which forbids discrimination against anyone in the United States because of race, color, or national origin by any agency receiving federal funds. The Federal-Aid Highway Act of 1973 added the requirement of no discrimination on the grounds of sex. Additionally, the Civil Rights Restoration Act of 1987 defined the word “program” to make clear that discrimination is prohibited throughout an entire agency if any part of the agency receives federal financial assistance.
NON-DISCRIMINATION POLICY STATEMENT

The Denver Regional Council of Governments (DRCOG) adheres to Title VI of the Civil Rights Act of 1964, a nondiscrimination law which provides that no person shall, on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. Further, DRCOG adheres to other federal nondiscrimination statutes that afford legal protection; specifically: Section 162(a) of the Federal-Aid Highway Act of 1973 (23 U.S.C. 324) (gender); Age Discrimination Act of 1975 (age); and Section 504 of the Rehabilitation Act of 1973/Americans with Disabilities Act of 1990 (disability). DRCOG is committed to ensuring that no person or persons shall, on any statutorily prescribed basis, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity administered by DRCOG.

DRCOG has established a discrimination complaint procedure and form for handling complaints of discrimination (located on the DRCOG website).

__________________________  ________________________
Douglas W. Rex            Date
Executive Director
ORGANIZATION, STAFFING, AND STRUCTURE

The executive director is ultimately responsible for ensuring full compliance with the provisions of Title VI of the Civil Rights Act of 1964 and related statutes and has directed that non-discrimination is required of all agency employees, contractors and agents pursuant to applicable law, including but not limited to, 23 CFR Part 200, 49 CFR Part 21, and 28 CFR Part 42, Subpart C.

DRCOG’s contracts and budget coordinator, in the Administration and Finance division, performs the duties of Title VI coordinator and ensures implementation of DRCOG’s Title VI program.

The Title VI Coordinator is responsible for:
- Submitting a Title VI plan and annual reports on the agency’s behalf;
- Developing procedures for the prompt processing and disposition of complaints;
- Investigating complaints, compiling a complaint log and reporting to the Colorado Department of Transportation;
- Developing procedures for the collection and analysis of statistical data;
- Developing a program to conduct Title VI reviews of program areas;
- Conducting annual Title VI assessments of pertinent program areas;
- Developing Title VI information for dissemination to the general public and staff as needed;
- Attending relevant training and sharing information with staff as appropriate; and
- Establishing procedures for resolving deficiency status and reducing to writing the remedial action agreed to be necessary.

The Title VI Liaisons are responsible for:
- Coordinating with the Title VI Coordinator on agency-wide Title VI implementation; and
- Maintaining dialogue with the Title VI Coordinator to inform him/her of their division’s activities regarding Title VI implementation.

An organizational chart follows.
Title VI Liaison Organizational Chart: DRCOG Divisions

Executive Director

DRCOG Title VI Coordinator and Liaison for Administration and Finance (Contracts and Budget Coordinator or a designee in his/her absence)

- Title VI Liaison for Area Agency on Aging (Director or his/her designee)
- Title VI Liaison for Communications and Marketing (Director or his/her designee)
- Title VI Liaison for Regional Planning and Development (Director or his/her designee)
- Title VI Liaison for Transportation Planning and Operations (Director or his/her designee)
- Title VI Liaison for Executive Office (Director or his/her designee)
## PRIMARY PROGRAM AREA DESCRIPTIONS AND REVIEW PROCEDURES

### Growth and Development

</thead>
</table>
| **Metro Vision** | - As the regional planning commission per Colorado state statute, DRCOG prepares the plan for the physical development and social and economic health of the Denver region. For nearly two decades this plan has been known as Metro Vision. | - Equal opportunity to participate in the planning process is the key Title VI/Non-Discrimination Concern/Responsibility.  
- Key strategies include:  
  - *Metro Vision Listening Tour* (including focus groups that target older adults, low-income and minority residents, and disabled populations)  
  - *Sustainable Communities Initiative*  
  A three-year effort that included numerous efforts to engage low-income and communities of color. (Example activities: training grassroots leaders, transit-corridor stakeholder committees, corridor-level citizens’ academies, public workshops, equity curriculum for regional trainings) | - All Board and committee meetings are open to the public. Public comment is always included as an agenda item. Public participation is part of every step of the planning process.  
- Staff reviews all steps in the preparation of planning documents to identify any potential discrimination. Action is taken to remedy the situation if there is any discrimination identified. |

| Communications and Marketing | The Communications and Marketing division works to improve all aspects of internal and external communications, building awareness and perception of the organization and its mission. The department supports the success of divisions, programs, projects and initiatives by developing and designing promotional and informational communications materials targeted at numerous and various audiences. The division also translates the Board’s policy into a clear and concise message that can be easily shared with the public, policymakers, legislators, media and other stakeholders. The division works closely with other DRCOG divisions, local, state and federal agencies, and other partner organizations to develop strategies to implement the Board’s priorities. | Staff ensures that language assistance is available for Limited English Proficiency populations as needed. | If DRCOG receives a request for assistance in a language other than English, staff members will follow these steps, as needed:  
- Take the person’s name and contact information.  
- Use language identification flashcards, if needed, to determine the person’s primary language.  
- If the individual speaks Spanish or another language in which someone on DRCOG staff is fluent, a DRCOG employee may be used as a first-response interpreter. For in-office assistance, an email will be sent immediately to all DRCOG staff to determine if there is a person on-site who speaks the desired language.  
- DRCOG also contracts with a telephone interpreter service for translation, when needed. |

<td><strong>Regional Transportation Planning:</strong></td>
<td>The MVRTP is integrated with Metro Vision to address the mobility needs of people of all ages, incomes and abilities. It identifies the desired vision for the region’s transportation system in which funding is unconstrained. The fiscally constrained RTP addresses federal requirements for the process of developing, and the content to be included within, a long-range transportation plan. Specifically, it defines transportation elements and services to be provided over the next 20 years based on reasonably expected revenues. DRCOG’s Transportation Improvement Program (TIP) identifies all federally funded transportation projects to be completed in the Denver region over a four-year period. Under the Clean Air Act, DRCOG has responsibilities to ensure its transportation plans and programs support air quality goals and contribute to meeting air quality standards.</td>
<td>Equal opportunity to participate in the planning process is the key Title VI/ Non-Discrimination Concern/Responsibility. The RTP and the TIP must be shown to have proportional benefits and no disproportionate impacts on environmental justice communities.</td>
<td>All Board and committee meetings are open to the public. Public comment is always included as an agenda item. Public participation is part of every step of the planning process. Staff reviews all steps in the preparation of planning documents to identify any potential discrimination. Action is taken to remedy the situation if there is any discrimination identified.</td>

TITLE VI COMPLAINT PROCEDURES

Denver Regional Council of Governments Title VI Complaint Procedures

The Denver Regional Council of Governments (“DRCOG”) follows Title VI of the Civil Rights Act of 1964, a non-discrimination policy in which no person shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any federally funded program activity.

Herein follows the DRCOG complaint procedure to assist anyone who believes he/she has been negatively impacted.

DRCOG’s Title VI Coordinator (“Coordinator”) is available to review any concerns about potential violations.

In order to file a formal Title VI complaint against DRCOG or a recipient of Federal funds from DRCOG, the following steps need to be followed:

1. The complainant will contact the Coordinator. If a complaint is received by any other DRCOG staff member, that staff member will refer the complaint to the Coordinator.

2. The Coordinator will conduct an initial determination of the sufficiency of the complaint to be a potential violation of Title VI.

3. If it is determined that the complaint does not meet the basic criteria to be a violation of Title VI, then a determination will be made on whether the issue can be informally resolved or administratively closed. That determination will be communicated to the complainant.

4. If it is determined that the complaint meets the basic criteria of a potential violation of Title VI, then an investigation will be conducted by an investigator. The investigation will be completed within 60 days from the date it is determined the complaint is sufficient. A formal notice will be sent to the complainant.

5. The level and method of investigation will be determined on a case by case basis and is at the discretion of the investigator. A final report of findings from the investigation will be prepared by the investigator. A final notice of findings will be sent to the complainant by DRCOG. If the investigation is conducted by a Regional Civil Rights Specialist, a copy of the report and final notice of findings will be sent to the Coordinator. The final notice will include the process for filing an appeal of the decision.

6. A complainant may appeal a decision by submitting a request in writing within 30 days of the final notice. The request should include information detailing why the complainant believes the decision was made in error. The complainant will be given information on how to appeal this decision directly with the state or federal funding agency in the final notice.
ATTACHMENT 1
Draft

How to File a Complaint

If you believe that you and/or any person(s) under your care have been discriminated against by any organization that receives funds from DRCOG for any of its programs, services, facilities or activities, please complete a discrimination complaint form as found attached. Please provide:

1. Your full name, address, and telephone number, and the name of the person who you believe has discriminated against you.
2. The name of the organization that you believe has discriminated, its address and telephone number, and any other identifying information.
3. A description of the actions that you believe were discriminatory (dates of actions, names of those who you believe discriminated, and witnesses).
4. Any other information that you believe necessary to support your complaint. Please send copies of relevant documents, and keep originals.

To file with DRCOG:

Denver Regional Council of Governments
Contracts Department
Title VI Coordinator
1001 17th St.
Denver, CO 80202

The following resources are available:

1. Colorado Department of Transportation
   Civil Rights & Business Resource Center
   4201 E. Arkansas Ave., Ste. 150
   Denver, CO 80220
   (303) 757-9234 or (800) 925-3427
   Fax: (303) 952-7088

2. Colorado Civil Rights Division
   1560 Broadway
   Lobby Level Welcome Center
   Denver, CO 80202
   Email: ccrd@dora.state.co.us
   (303)894-2997 or (800) 262-4845
   Fax: (303) 894-7830
   V/TTD - Relay: 711

3. Department of Transportation FHWA
   Civil Rights Division
   (720) 963-3021
In some cases, DRCOG must forward complaints to either the Federal Highway Administration (FHWA) or Federal Transit Administration (FTA), or the Colorado Department of Transportation (CDOT) for investigation. If your complaint is forwarded to one of these agencies, you will be provided the name and contact information of the federal employee handling your complaint.

PUBLIC PARTICIPATION

The following are excerpts from DRCOG’s *Public Involvement in Regional Transportation Planning* and *Limited English Proficiency Plan*. Please refer to the documents, available on the [DRCOG website](#), for further details.

**Minority and Low-Income Community Strategies**

DRCOG staff is proactive regarding public outreach to low-income communities and minority communities. Example methods to obtain input are:

- Targeted mailings and questionnaire distribution;
- Speaking requests to organizations and interest groups;
- Participation on corridor studies and compilation of local comments;
- Spanish-language questionnaires;
- Frequent contact with local government planners, staff and elected officials who have day-to-day contact with their constituents; and
- Monitoring of local projects, studies and outreach efforts conducted in minority or low-income neighborhoods.

**Leveraging Other Efforts**

DRCOG staff has set up public outreach displays and materials at public meetings or corridor study offices administered by the Colorado Department of Transportation, the Regional Transportation District and local governments. Staff also takes advantage of opportunities to interact with the public through the activities of the Way to Go partnership or other entities. A wider audience is often directly reached through these efforts, especially those in low-income communities and minority communities.

**Public Hearings and Formal Comment Periods**

A public hearing is a more formal event than a public meeting. Held prior to a decision point, a public hearing and associated comment period gather community comments and positions from all interested parties for the public record and as input into decisions. Public hearings are required by the federal government for many transportation documents. Additional hearings may be held during the transportation planning and project development process at the discretion of the sponsoring organization. Public notices in a general circulation newspaper cite the time, date and place of a hearing. During the public comment period, the agency accepts questions and provides clarification. Subject documents become available to the public when notice of a hearing is given or, in special circumstances, the notice states when the subject documents will be available.

At a minimum, DRCOG hosts public hearings before the adoption of Metro Vision, the Regional Transportation Plan, the Transportation Improvement Program, and their corresponding conformity determinations, and other key planning documents. DRCOG staff prepares summaries of all comments received during the review period and presents them to the DRCOG committees and Board.

**Public Interest Forums/Meetings/Workshops**

Public forums and meetings disseminate information, provide a setting for public discussion, and invite feedback from the community. They are often hosted at more than one key point in the process to develop specific planning documents. They are often tailored to specific issues or community groups and are either informal or formal. Such forums or meetings may include the following:
ATTACHMENT 1
Draft

- Open houses/interactions periods;
- Activities to engage public input;
- Formal presentations;
- Question-and-answer periods;
- Brainstorming sessions;
- Small break-out groups;
- Charrettes; and
- Poster sessions.

Accessibility for Public Meetings and Forums
All DRCOG-hosted public hearings are wheelchair accessible. DRCOG will make every effort to accommodate and provide services for individuals with other disabilities when provided notice before the forum or meeting. Hearings are held at venues that are centrally located and transit accessible. For meetings hosted by DRCOG, individuals in need of auxiliary aids or services, such as interpretation services or assisted listening devices, are asked to contact DRCOG at least 48 hours in advance of the meeting by calling 303-480-6701.

Other Techniques
DRCOG staff employs visualization techniques such as maps, pictures and/or displays to promote improved understanding of existing or proposed transportation plans and programs.

DRCOG has also supported the efforts of the Transit Alliance’s Citizens’ Academy. The academy educates local residents and community leaders about the importance of transit services, how to support projects, and how transit projects and services are implemented. More than 700 people have graduated from the academy since 2007. Please refer to DRCOG’s Public Involvement in Regional Transportation Planning for more details.

Identifying Individuals Who May Need Language Assistance
When encountering an individual with Limited English proficiency whose language is unknown, DRCOG staff use language identification flashcards to identify that person’s primary language (see Appendix A in DRCOG’s Limited English Proficiency Plan). Copies are stored in DRCOG’s reception area and four largest public meeting rooms (Independence, Monarch, Wolf Creek and Cottonwood). Language identification flashcards, as developed by the U.S. Census Bureau, bear the phrase “Mark this box if you read or speak [name of language]” translated into 38 different languages. The individual with limited English proficiency can then denote the language and staff can respond as appropriate to provide or obtain assistance. The language identification flashcards may be downloaded at no cost at: http://www.lep.gov/lSpeakCards2004.pdf.

As part of the Limited English Proficiency plan, DRCOG also makes the language identification flashcards available to the public through its website, so individuals with limited English proficiency contacting DRCOG online can communicate their primary language to DRCOG staff. DRCOG staff can then use that information to provide language assistance to the person with limited English proficiency. DRCOG also makes the language identification flashcards available at all public meetings or events. Once a person’s primary language is identified using the flashcards, DRCOG staff assess the feasibility of providing written translation service and/or oral interpretation assistance for the individual with limited English proficiency.
For DRCOG activities within a specific geographic area of the region, staff consults U.S. Census and Colorado Department of Education data to determine if there are high concentrations of specific limited English proficiency groups in the area. DRCOG maintains maps depicting concentrated areas of the region’s five largest non-English speaking language groups (Spanish or Spanish Creole, Vietnamese, Chinese, Korean and Russian) (see Appendix B in DRCOG’s Limited English Proficiency Plan).

Please refer to DRCOG’s Limited English Proficiency Plan for more details.

REQUIRED TITLE VI NONDISCRIMINATION CONTRACT PROVISIONS

The following provisions are attached to every applicable contract:

CIVIL RIGHTS ACT

During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest, agrees as follows:

b. Equal Employment Opportunity. The following equal employment opportunity requirements apply to the Contract:

1. Race, Color, Creed, National Origin, Sex. In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000e, and Federal transit laws at 49 U.S.C. § 5332, Contractor agrees to comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (U.S. DOL) regulations, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 CFR Parts 60 et seq., (which implement Executive Order No. 11246, "Equal Employment Opportunity," as amended by Executive Order No. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," 42 U.S.C. § 2000e note), and with any applicable Federal statutes, executive orders, regulations, and Federal policies that may in the future affect activities undertaken in the course of this Contract. Contractor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, national origin, sex, or age. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, Contractor agrees to comply with any implementing requirements FTA may issue.

3. Disabilities. In accordance with section 102 of the Americans with Disabilities Act, as amended, 42 U.S.C. § 12112, Contractor agrees that it will comply with the requirements of U.S. Equal Employment

4. Contractor shall comply with the appropriate areas of the Americans with Disabilities Act of 1990 as enacted and from time to time amended and any other applicable federal, state, or local laws and regulations.

The parties hereby incorporate the requirements of 41 C.F.R. § 60-1.4(a) and 29 C.F.R. § 471, Appendix A to Subpart A, if applicable.

This contractor and subcontractor shall abide by the requirements of 41 CFR 60-300.5(a) and 41 CFR 60-741.5(a), if applicable. These regulations prohibit discrimination against qualified protected veterans and qualified individuals with disabilities, and require affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified protected veterans and qualified individuals with disabilities.

The following provisions are attached to every applicable Area Agency on Aging contract:

**ASSURANCE OF COMPLIANCE WITH THE DEPARTMENT OF HEALTH AND HUMAN SERVICES REGULATION UNDER TITLE VI OF THE CIVIL RIGHTS ACT OF 1964 AND SECTION 504 OF THE REHABILITATION ACT OF 1973**

The Contractor HEREBY AGREES to comply with Title VI of the Civil Rights Act of 1964 (P.L. 88-352) and all requirements imposed by or pursuant to Regulations of the Department of Health and Human Services (HHS) (45 CFR Part 80) issued pursuant to that title, and to comply with Section 504 of the Rehabilitation Act of 1973 (P.L. 93-112) and all requirements imposed by or pursuant to the Regulations of the HHS (45 CFR Part 84) issued pursuant to the Act, all as from time to time amended, to the end that, in accordance with Title VI, the Act and Regulations, no person in the United States shall, on the grounds of race, color, national origin, or nonqualified handicap, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Contractor receives Federal financial assistance from DRCOG, a recipient of Federal financial assistance from HHS; and HEREBY GIVES ASSURANCE THAT it will immediately take any measures necessary to effectuate this agreement.

If any real property or structure thereon is provided or improved with the aid of Federal financial assistance extended to the Contractor by DRCOG, this assurance shall obligate the Contractor, or in the case of any transfer of such property, any transferee, for the period during which the real property or structure is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If any personal property is so provided, this assurance shall obligate the Contractor for the period during which it retains ownership or
possession of the property. In all other cases, this assurance shall obligate the Contractor for the period during which the Federal financial assistance is extended to it by DRCOG.

THIS ASSURANCE is given in consideration of and for the purpose of obtaining any and all Federal grants, loans, contracts, property, discounts or other Federal financial assistance extended after the date hereof to the Contractor by DRCOG, including installment payments after such date on account of applications for Federal financial assistance which were approved before such date. The Contractor recognizes and agrees that such Federal financial assistance will be extended in reliance on the representations and agreements made in this assurance, and that DRCOG or the United States or both shall have the right to seek judicial enforcement of this assurance. This assurance is binding on the Contractor, its successors, transferees, and assignees.
DISADVANTAGED BUSINESS ENTERPRISES AND PARTICIPATION BY SMALL BUSINESS ENTERPRISES

It is the policy of the Denver Regional Council of Governments (DRCOG) that equal opportunity to participate in its procurements is provided to disadvantaged business enterprises as provided by applicable law. The selected respondent(s) shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of contracts.

DRCOG includes Disadvantaged Business Enterprise clauses in all applicable contracts and request for proposals (RFPs). These clauses are provided for reference:

- Procedures to ensure that DBEs are afforded opportunity to participate in federal-aid highway programs and activities
- “It is declared to be in the national interest to encourage and develop the actual and potential capacity of small businesses and to utilize this important segment of our economy to the fullest practicable extent in construction of Federal-aid highway systems, including the Interstate System. In order to carry out that intent and encourage full and free competition, the Secretary should assist, insofar as feasible, small business enterprises in obtaining contracts in connection with the prosecution of the highway program.” (23 USC § 304) and (49 CFR 26, effective February 2011)

All applicable respondents must complete and return with their response the “Disadvantaged Business Enterprise Program Information Request Form” provided on the next page.

THE DENVER REGIONAL COUNCIL OF GOVERNMENTS  
("DRCOG")

TITLE VI  
LOCAL AGENCY ASSURANCE

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color, or national origin in programs or activities receiving federal financial assistance. Related statutes and Presidential Executive Orders under the umbrella of Title VI address Environmental Justice (EJ) in minority and low-income populations, services to those individuals with Limited English Proficiency (LEP), and the protected bases of gender, age and disability. The Civil Rights Restoration Act of 1987 clarified the intent of Title VI to include all programs and activities of federal aid recipients and sub-recipients whether those programs and activities are federally funded or not. Title VI refers to the umbrella of related authorities that require recipients (and sub-recipients) of federal financial assistance to assure nondiscrimination on the basis of race, color, national origin, age, gender, or disability.

DRCOG is a recipient of federal financial assistance and as such it, as well as all of its responsible agents, contractors and consultants, is required to assure nondiscrimination. This assurance is required by the United States Department of Transportation Title VI Regulations at 49 CFR Part 21 (hereinafter referred to as the Regulations).

DRCOG hereby gives assurances that no person shall on the grounds of race, color, national origin, age, gender or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity conducted by DRCOG regardless of whether those particular programs and activities are federally-funded. It is the responsibility of every person within DRCOG and all DRCOG's external agents to incorporate and implement actions consistent with nondiscrimination in programs.

More specifically, and without limiting the above general assurance, DRCOG hereby gives the following specific assurances:

More specifically, and without limiting the above general assurance, DRCOG hereby gives the following specific assurances:

1. That it will promptly take any measures necessary to effectuate this agreement.

2. That each of DRCOG’s programs, activities, and facility will be conducted and or operated in compliance with nondiscrimination requirements under all Federal laws and regulations.

3. That these assurances are given in consideration of and for the purpose of obtaining any and all federal grants, loans, contracts, property, discounts or other federal financial assistance extended by the United States Department of
Transportation. These assurances are binding on DRCCG, its recipients, sub-
grantees, contractors, subcontractors, transferees, successors in interest, and other
participants.

4. That DRCCG will insert a notification in all solicitations for bids for work or material
subject to the Regulations that notifies all bidders that it will affirmatively ensure that
disadvantaged business enterprises will be afforded full opportunity to submit bids in
response to all invitations and will not be discriminated against on the grounds of
race, color, national origin, age, gender or disability in consideration for an award.
DRCCG will also adapt this notification for all proposals for negotiated agreements.

5. That DRCCG will insert appropriate nondiscrimination clauses in every contract
subject to Title VI and the Regulations.

6. DRCCG will display Title VI information for employees and the public. This
information shall include DRCCG's Nondiscrimination Policy, obligations and
protections under Title VI, procedures on how to file a Title VI complaint, and contact
information for DRCCG's Title VI Coordinator. This information shall be translated into
languages other than English as needed and consistent with the Limited English
Proficiency (LEP) requirements of Title VI.

7. DRCCG shall seek out and consider the input of minority, low income and LEP
populations in the course of conducting public outreach and involvement activities.
Public participation shall be encouraged early and often in consideration of social,
economic and environmental impacts on all populations.

Acting Executive Director
Title of Authority (please print)
DENVER REGIONAL COUNCIL OF GOVERNMENTS (DRCOG)
TITLE VI ASSURANCE
FISCAL YEAR 2016-2017

1. There have been no lawsuits or complaints alleging discrimination on the basis of race, color, or national origin filed against the Denver Regional Council of Governments during the period of October 1, 2016 through September 6, 2017.

2. In addition to funding from the Federal Transit Administration, DRCOG routinely receives federal funds from the Federal Highway Administration and has also received funds from the Department of Health and Human Services, the Environmental Protection Agency, the U. S. Geological Survey, the Department of Agriculture, the Department of Housing and Urban Development, and the Department of State.

3. There were no civil rights compliance reviews performed on DRCOG by any local, state, or federal agency during the period of October 1, 2016 through September 6, 2017.

4. Title VI will be enforced by DRCOG for all of its contractors. All contracts with DRCOG include compliance measures which, in effect, state that failure to comply with Title VI requirements will result in termination of the contract.

This certification is a material representation of fact upon which reliance is placed when this transaction was made or entered into.

APPENDIX

The following documents expand on DRCOG’s Title VI Implementation Plan:

I. 2040 MVRTP Coordinated Transit Plan;
II. Denver Regional Council of Governments Limited English Proficiency (LEP) Plan;
III. 2018-2021 Transportation Improvement Program;
IV. 2040 Metro Vision Regional Transportation Plan, and
V. Public Involvement in Regional Transportation Planning.

Among other important civil rights related items, these documents include a demographic profile of the Denver region; a description of the procedures by which the mobility needs of minority populations are identified and considered within the planning process; maps that show the impacts of the distribution of projects funded in our Transportation Improvement Program; an analysis of the MPO’s transportation system investments related to Environmental Justice (the previous two analyses are included in the Environmental Justice sections of the 2018-2021 and the Transportation Improvement Program and 2040 Metro Vision Regional Transportation Plan documents); and a description of the procedures by which the mobility needs of minority populations are identified and considered within the planning process. As previously noted, we are currently updating Public Involvement in Regional Transportation Planning. This document is anticipated to be completed in 2018.
March 23, 2018

Matthew N. Helfant, AICP
Senior Transportation Planner
Denver regional Council of Governments
1290 Broadway, Suite 100
Denver, Colorado 80203-5606

Re: Title VI Plan Concurrence

Dear Mr. Helfant:

As the direct recipient of funding from the Federal Transit Administration (FTA), the Colorado Department of Transportation (CDOT) is required to ensure that grant partners receiving federal assistance have Title VI plans that meet the requirements of FTA Circular 4702.1B “Title VI Requirements and Guidelines for Federal Transit Administration Recipients.”

Your agency submitted an updated Title VI plan including changes to the complaint procedures on March 20, 2018 and it was reviewed on March 21, 2018. CDOT’s Civil Rights & Business Resource Center has determined that your Title VI plan meets the requirements set out in FTA Circular 4702.1B.

Please note that as part of this initial submission, CDOT has not conducted a review of the efficacy of your Title VI program. In depth reviews of your policies and procedures as well as confirmation of the implementation of your program will be conducted on a triennial basis in accordance with the Grantee Information Request review schedule provided by Division of Transit and Rail.

Also, please note that the purpose of a Title VI program is to guide your agency in non-discriminatory practices that ensure equal access to federally-assisted programs and activities. Therefore, your Title VI Plan should be treated as a living document to be updated as necessary with changes in programs, activities, demographics, complaints, etc. Your agency is responsible for ensuring ongoing compliance with the circular and all non-discrimination laws and guidance and your respective operations and program should be updated accordingly.

Sincerely,

Eboni Younger-Riehl
Civil Rights Specialist

Meeting Date | Agenda Category | Agenda Item #
-------------|----------------|------------
May 16, 2018 | Action         | 10

SUBJECT
Recommendation of projects to be funded through the Transportation Demand Management (TDM) set-aside of the 2018–2021 Transportation Improvement Program (TIP).

PROPOSED ACTION/RECOMMENDATIONS
DRCOG staff recommends approval of the projects as proposed by the TDM Set-Aside Project Review Panel.

ACTION BY OTHERS
April 23, 2018- Transportation Advisory Committee recommended projects to be funded through the TDM Set-Aside as recommended by the Project Review Panel.
June 19, 2018- RTC will act on the recommendation.

SUMMARY
The approved 2018–2021 TIP Policy established $2.08 million for a TDM Call for Projects. The TIP Policy outlines the set-aside amount for two project categories:
- $800,000 for small infrastructure projects, and
- $1.28 million for non-infrastructure (marketing/outreach) projects.

The DRCOG TDM Set-Aside supports infrastructure, programs, and strategies that:
- reduce single occupant vehicle (SOV) travel, improve air quality, and reduce congestion.
- The set-aside funds both infrastructure projects (like sidewalks and signage) and non-infrastructure projects (like public education, marketing and outreach).

In November 2017, DRCOG issued a call for projects, with 15 applications submitted for consideration (Attachment 1). One small infrastructure project was submitted and one non-infrastructure project was withdrawn. The total federal request for all projects was $2,525,593.

After applications were received, staff convened a Project Review Panel, made up of local TDM experts (non-applicants). The Project Review Panel had seven members from agencies including: Colorado Department of Transportation, Colorado Department of Public Health and Environment, Regional Air Quality Council, Regional Transportation District, Denver South TMA, and DRCOG (one representative from Communications and Marketing Division and one representative from Transportation Planning and Operations Division). FHWA participated in this process as a non-voting representative.

The Project Review Panel convened four times in early 2018 to review, discuss, and rank projects to recommend to the TAC for funding. The Project Review Panel recommends the following projects for funding:
**Infrastructure**

<table>
<thead>
<tr>
<th>City of Englewood</th>
<th>Oxford Ave Light Rail Transit First and Last Mile Bicycle Facility Connection</th>
<th>$87,138</th>
</tr>
</thead>
</table>

**Infrastructure Recommendation Total** $87,138

**Non-infrastructure**

<table>
<thead>
<tr>
<th>Transportation Solutions</th>
<th>Networked Mobility Hubs Marketing Initiative</th>
<th>$245,325</th>
</tr>
</thead>
<tbody>
<tr>
<td>City of Lakewood</td>
<td>West Corridor TMA Start Up</td>
<td>$251,597</td>
</tr>
<tr>
<td>BikeDenver</td>
<td>Mobility Navigator Program</td>
<td>$242,334</td>
</tr>
<tr>
<td>Boulder Transportation Connections</td>
<td>Boulder Parking Cash Out Program</td>
<td>$197,040</td>
</tr>
<tr>
<td>Bicycle Colorado</td>
<td>It's as Easy as ABC</td>
<td>$82,790</td>
</tr>
<tr>
<td>Smart Commute Metro North</td>
<td>Adams County Regional Bike Share Promotion Program</td>
<td>$236,440</td>
</tr>
</tbody>
</table>

**Non-infrastructure Recommendation Total** $1,255,526

**Recommendation Grand Total** $1,342,664

Upon approval by the Board, an administrative modification of the TIP will be conducted to amend the selected projects into the 2018–2021 TIP.

Additionally, the Project Review Panel recommends conducting a standalone call for small infrastructure projects to award the remaining small infrastructure funding ($712,862) and returned funds from past projects ($130,000).

Approval of the resolution is contingent on subsequent concurrence by RTC (anticipated June 19, 2018).

**PREVIOUS DISCUSSIONS/ACTIONS**

**October 18, 2017** Board of Directors approved the TDM Set-Aside Eligibility Rules, Selection Process and Evaluation Criteria.

**PROPOSED MOTION**

Move to approve the projects highlighted in Attachment 1 to be funded through the TDM Set-Aside of the DRCOG 2018–2021 TIP contingent on the Regional Transportation Committee’s concurrence.

**ATTACHMENTS**

1. Project Review Panel Recommended Projects
2. Draft Resolution

**ADDITIONAL INFORMATION**

If you need additional information, please contact Douglas W. Rex, Executive Director at 303-480-6701 or drex@drcog.org or Ron Papsdorf, Transportation Planning and Operations Director at 303-480-6747 or rpapsdorf@drcog.org.

DENVER REGIONAL COUNCIL OF GOVERNMENTS
STATE OF COLORADO

BOARD OF DIRECTORS RESOLUTION NO. ________, 2018

A RESOLUTION ALLOCATING FUNDING IN THE REGIONAL TRANSPORTATION DEMAND MANAGEMENT (TDM) SET-ASIDE TO PROJECTS IN FISCAL YEARS 2018-2019.

WHEREAS, the Denver Regional Council of Governments, as the Metropolitan Planning Organization, is responsible for carrying out and maintaining the continuing comprehensive transportation planning process designed to prepare and adopt regional transportation plans and programs; and

WHEREAS, the urban transportation planning process in the Denver region is carried out through cooperative agreement between the Denver Regional Council of Governments, the Regional Transportation District, and the Colorado Department of Transportation; and

WHEREAS, a Transportation Improvement Program containing transportation projects expected to be carried out in the period 2018-2021 was adopted by the Board of Directors on April 18, 2017; and

WHEREAS, said Transportation Improvement Program included a set-aside called the Regional Transportation Demand Management Program (TIP #1999-097) to fund transportation demand management projects that promote alternatives to single occupancy vehicle travel and stated that specific projects to be funded would be approved by the Denver Regional Council of Governments; and

WHEREAS, the Denver Regional Council of Governments solicited applications for funding from local governments and agencies; and

WHEREAS, applications were reviewed and scored by a project review panel; and

NOW, THEREFORE, BE IT RESOLVED that the Denver Regional Council of Governments hereby allocates the funds in the Regional Transportation Demand Management Program in the amount of $1,342,664 in fiscal years 2018 and 2019 to the following projects in the amounts indicated, contingent on the concurrence of the Regional Transportation Committee.
A RESOLUTION ALLOCATING FUNDING IN THE REGIONAL TRANSPORTATION
DEMAND MANAGEMENT (TDM) SET-ASIDE TO PROJECTS IN FISCAL YEARS 2018-
2019.

SUMMARY
The Colorado General Assembly completed the 2018 legislative session on May 9. This was a successful session for DRCOG. The attached Legislative Wrap-Up highlights the most significant pieces of legislation for DRCOG during the 2018 legislative session. The attached spreadsheet provides a list of the bills on which the DRCOG Board took a position, with updated status.

ADDITIONAL INFORMATION
If you need additional information, please contact Douglas W. Rex, Executive Director, at 303-480-6701 or drex@drcog.org; or Rich Mauro, Senior Policy and Legislative Analyst, at 303-480-6778 or rmauro@drcog.org.
During the Second Regular Session of the 71st General Assembly, the DRCOG Board took official positions on 18 bills. DRCOG staff and lobbyists actively monitored or lobbied these bills, including seeking specific amendments to the bills where appropriate and providing input to legislative sponsors, committees and staff on these and related legislative issues.

These bills were of special interest because of an identified effect on member governments or the regional programs administered by DRCOG. DRCOG staff and lobbyists also actively monitored and in some cases provided input and advice on the Long Appropriations Bill and over thirty other bills for potential effect on DRCOG, its programs or its members. Overall, DRCOG staff and lobbyists reviewed and monitored approximately 90 additional bills for possible effect on DRCOG.

The most significant pieces of legislation for DRCOG are summarized below. A final status report on all the bills on which official positions were taken is attached.

**State Budget Issues**

Every year there are challenges in balancing the state budget and the 2018 legislative session was no exception. While the FY 2018-19 budget marked the sixth year in a row the General Assembly had additional revenue available to fund state priorities, various factors converged to create a situation where the March revenue estimate, which is used to finalize the Long Bill identified significantly more revenue than expected in December before the session began.

This situation enabled the General Assembly to set aside $495 million for transportation (more on that in the SB 18-001 discussion below). It also enabled additional investments in PERA, K-12 education, higher education, and various human services, including the opioid crisis.

This also was a good budget year for senior services. DRCOG’s budget request for a $4 million increase for senior services was approved (more on that in the Older Adults section below). Funding for other senior-related programs that DRCOG supported also passed: $55,000 for the Strategic Action Planning Group on Aging to continue its important work; $165,000 for the State Long-Term Care Ombudsman to increase staff for the first time in over twenty years; and $362,880 for adult comprehensive services for the Community Choice Transitions (CCT) program, which provides some funding for community transition services provided by DRCOG.
Older Adults

State Funding for Senior Services (SFSS). A DRCOG-led effort that began last summer to increase “State Funding for Senior Services” achieved success when the governor included our request for a $4 million increase in his budget proposal. DRCOG subsequently worked with Joint Budget Committee members and staff to ensure the $4 million was included in the Long Bill (HB 18-1322). DRCOG typically receives about 40 percent of these state funds. This makes the fourth year out of the last six that DRCOG was successful in achieving a $4 million increase in State Funding for Senior Services.

Long-term Care Ombudsman. DRCOG worked closely with the Colorado Department of Public Health and the Environment to amend SB 18-054, which originally would have severely restricted the state’s ability to implement its oversight responsibilities regarding assisted living residences. DRCOG’s Ombudsman Program Supervisor had an instrumental role in a two-year stakeholder process that modernized the over twenty-year-old rules. The bill was amended to allow CDPHE to move forward with the new rules and the necessary funding.

Senior Tax Relief. DRCOG also worked closely during the session with the Colorado Senior Lobby and Representatives Chris Kennedy and Mike Weissman on their efforts to address issues with the Senior Property Tax Exemption and the Senior and Disabled Property Tax/Rent/Heat Rebate (PTC Rebate). Ultimately, the legislators decided not to introduce a bill on the exemption but Representative Weissman did introduce HB 18-1380, which would have indexed the rebate amounts to inflation. The bill passed the House but was postponed Indefinitely by the Senate State Affairs Committee. These are issues we expect to be back before the General Assembly next year.

Mandatory Reporting. A DRCOG-initiated bill – HB 18-1405 – was successful in amending the statute for mandatory reporting of abuse of at-risk adults to correct an oversight in the language. That language inadvertently made attorneys and their staff who provide legal services to older adults or disabled persons under contract to an Area Agency on Aging into mandatory reporters in contradiction to their professional responsibility to maintain attorney/client privilege. The bill, which passed unanimously through the General Assembly, corrected that oversight.

Housing

This was a busy year for affordable housing legislation. DRCOG supported SB 18-007, which renewed the Affordable Housing Credit. DRCOG also supported SB 18-010, which requires landlords to provide tenants upon request with a copy of their lease or a receipt for a cash payment. Several other “renter’s protection” bills were considered during the session but failed to pass. This is another area where we expect the legislation to be back next year.
Transportation Funding

After much debate and many iterations, the General Assembly finally passed one of the first bills introduced – SB 18-001 – on the second-to-last day of the session. As introduced, SB 18-001 would have directed 10 percent of state sales and use tax net revenue collected on or after July 1, 2018, to back a new round of TRANs bonds ($3.5 billion). As the bill left the Senate, the bonding provisions allowed the first tranche of SB 17-267 lease-purchase agreements to move forward but repealed the last three. It also provided for a ballot measure in 2019 to approve TRANs bonds up to $3.5 billion and allocated $250 million in General Fund for twenty years to pay for the bonds. The proceeds could be spent by CDOT only on new transportation projects. It made these provisions contingent on the outcome of a possible initiative in 2018 that would authorize a TRANs issuance. Finally, the bill severely restricted CDOT’s authority regarding managed lanes.

DRCOG took an official position of “Monitor” on SB 18-001 and kept to that position throughout the process. But the Board adopted four principles to guide its position on specific provisions of the bill:

- no bonding without new revenue
- must contain a substantial local share
- must contain a substantial multimodal share
- no restrictions on managed lanes

The bill was significantly amended in the House Transportation Committee. DRCOG Board Chair Mayor Herb Atchison testified regarding these principles on behalf of DRCOG in the committee. As the bill left the House Transportation Committee, it included the $495 million set aside for transportation in the budget for FY 18-19 (through HB 18-1340) plus an additional $150 million for FY 19-20. The distribution for both was 60 percent to CDOT, 25 percent to local governments (split 50/50 between cities and counties), and 15 percent for multimodal projects. It reduced the SB 17-267 bonding and the associated General Fund responsibility. It also reduced the 2019 TRANs bonding to $2.35 billion and the associated General Fund responsibility and added a provision to protect future education funding. This distribution was 70 percent to CDOT, 15 percent to local governments (split 50/50 between cities and counties), and 15 percent for multimodal projects. The Multimodal Transportation Options Fund would allocate its 15 percent share 85 percent to local projects and 15 percent to CDOT projects.

The bill was amended again on the House floor. As the bill passed the House, it increased CDOT’s allocation of the $495 million to 70 percent and reduced the local share to 15 percent. It increased CDOT’s allocation of the $150 million to 70 percent and reduced the local share to 15 percent. It also increased CDOT’s allocation of the TRANs bonds to 85 percent and eliminated the local share.
When the bill went back to the Senate for consideration of House amendments, it had significant bipartisan support – passing unanimously – even though it had passed the House without a single Republican vote. The bill is now awaiting the governor’s signature.

Notably, the bill also includes $2.5 million to fund the continuing work of the Southwest Chief and Front Range Passenger Rail Commission that was created last year in SB 17-153. This was a proposal that the DRCOG Board supported at its March meeting. The commission will be able to resume its work on preserving the Amtrak Southwest Chief rail line service and extending service to Pueblo and Walsenburg and developing proposals to facilitate the development of a passenger rail system that provides service in and along the I-25 corridor. DRCOG is among five Metropolitan Planning Organizations/Councils of Governments specifically named to have representation on the commission.

<td>Staff was concerned the bill as introduced would inhibit the department's ability to implement Colorado's assisted living regulations. Recently updated regulations are tied to an increase in fees to fund the additional oversight the regulations will require, including hiring additional surveyors to inspect facilities. Based on that concern, DRCOG opposed this bill as introduced. With the amendment to the bill, DRCOG moved to a monitor position.</td>
<td>With regard to long term care facilities, DRCOG supports increases in the quality of care and consumer protections for older adults...DRCOG urges the state, when making decisions regarding funding for these programs, to structure such funding to protect the quality of care for residents and participants.</td>
</tr>
<tr>
<td>HB 18-1315</td>
<td><strong>Manufactured Home Sales Tax Exemption</strong> - The bill entirely exempts qualified manufactured homes (MHs) from the state sales and use tax. Under current law, 48% of the purchase price of a new manufactured home constructed in compliance with the federal National Manufactured Housing Construction and Safety Standards Act of 1974 is exempt from state sales and use tax.</td>
<td>McLachlan &amp; J. Becker/ Kefalas &amp; Lundberg</td>
<td>Awaiting Governor's Signature</td>
<td>Support</td>
<td>FN</td>
<td>MHs provide a critical source of unsubsidized affordable housing for roughly 100,000 working Colorado families. The average sales price of a new MH in Colorado in 2016 was $66,100 and the nationwide median income for MH households in 2015 was $30,000. The state sales tax significantly raises the final price for the families that traditionally purchase them. All MH owners pay property taxes annually in the same manner as conventional homeowners. This bill would NOT affect local revenues.</td>
<td>DRCOG supports: Policies and programs that support the private and public sectors in the creation and maintenance of an adequate supply of affordable rental and ownership options and providing a variety of housing sizes and types integrated with the community to meet the needs of people of all ages, incomes, and abilities.</td>
</tr>

<tr>
<td>HB 18-1380</td>
<td><strong>Grants For Property Tax Rent and Heat</strong> - Under current law, the eligible income amounts to qualify for these assistance grants are annually adjusted for inflation. This bill adjusts the grant amounts claimed for 2018 for inflation and requires they be adjusted for inflation in the future. For grants claimed for 2018, the bill increases the: Maximum property tax and rent assistance grant from $700 to $753; maximum heat assistance grant from $192 to $206; and minimum grant amount from $227 to $244 for the property tax and rent assistance grant and from $73 to $78 for the heat assistance grant. All of these increases reflect inflationary growth since 2014, and all of these amounts will continue to be adjusted annually for inflation. The bill expands the Property Tax and Rent Assistance Grant by repealing the requirement that rent must be paid to a landlord that pays property tax.</td>
<td>Weissman/Kefalas</td>
<td>Postponed Indefinitely Senate State Affairs</td>
<td>Support</td>
<td>FN</td>
<td>A low-income senior or individual with a disability is currently eligible for 2 types of annual state assistance grants administered by the Department of Revenue related to his or her property: A grant for their property taxes or rent paid, with the latter being deemed a tax-equivalent payment (property tax and rent assistance grant), and a grant for heat or fuel expenses (heat assistance grant). Together these are commonly known as the 'PTC' rebate. The grant amounts have not been increased since 2014. These grants help low-income seniors and persons with disabilities to remain living in their homes or apartments in community settings.</td>
<td>DRCOG supports: property tax relief to help reduce a tax liability that especially burdens low income seniors and seniors on fixed incomes. Policies, programs and services that preserve existing affordable housing stock, promote access to diverse housing options in diverse geographic locations, and provide consumer protections that enable older adults and persons with disabilities to age in place.</td>
</tr>
<tr>
<td>SB 18-1405</td>
<td><strong>Providers Of Legal Services Reporting Exception</strong> - The bill creates a mandatory reporter exception for attorneys at law providing legal assistance to individuals pursuant to a contract with an Area Agency on Aging, the staff of such attorneys at law.</td>
<td>Lee/ Gardner</td>
<td>Awaiting Governor's Signature</td>
<td>Support</td>
<td>FN</td>
<td>This is a bill DRCOG initiated and took the lead on passing. Under current law, staff, and staff of contracted providers, of area agencies on aging are mandatory reporters of the mistreatment of an at-risk elder or an at-risk adult with an intellectual and developmental disability. This language unintentionally makes attorneys and their staff who provide legal services to such persons under contract to an Area Agency on Aging into mandatory reporters in contradiction with their professional responsibility to maintain attorney/client privilege.</td>
<td>DRCOG supports: increases in the quality of care and consumer protections for older adults.</td>

<td>SB 18-001</td>
<td>Transportation Infrastructure Funding</td>
<td>Baumgardner &amp; Cooke/ Buck &amp; Winter</td>
<td>Awaiting Governor's Signature</td>
<td>Staff Discretion to Support with Amends.*</td>
<td>FN</td>
<td>This bill provides General Fund support for transportation project construction, operation and maintenance. $495 million in FY 18-19 and $150 million in FY 19-20 are allocated 70% to CDOT, 15% Local governments (50% each to cities and counties), and 15% to multimodal projects. Depending on the outcome of two possible 2018 ballot initiatives, a 2019 ballot measure is referred. The bill creates the Multimodal Transportation Options Fund for deposit of the 15% allocations from the three sources above. The funds are allocated 85% to local multimodal projects and 15% to CDOT-selected multimodal projects. The bill also allocates $2.5 million in FY 18-19 for the continuation of the Southwest Chief &amp; Front Range Passenger Rail Commission to continue its operations.</td>
<td>DRCOG supports: Increased funding for transportation to preserve the system, address congestion and safety, and provide multi-modal options for people of all ages, incomes and abilities.</td>
</tr>
</tbody>
</table>

*DRCOG Board Position on Transportation Funding Bills: DRCOG will support or oppose Senate Bill 18-001, HB 18-1340, any other transportation funding bills, or any proposed amendments based on the following principles: No bonding without new revenue substantial local share; substantial multimodal share; both for the whole period of the state contribution (one current proposal is for six years); and no restrictions on managed lanes.

<tr>
<td>SB 18-053</td>
<td>Primary Offense For No Safety Belt - Current law requires every driver of and every front-seat passenger in a motor vehicle equipped with a safety belt system to wear a fastened safety belt while the motor vehicle is being operated. The bill extends this requirement to every passenger in a motor vehicle. Current law provides that a law enforcement officer may not cite a driver of a motor vehicle for a failure to wear a safety belt unless the driver was stopped for a different alleged traffic violation. The bill repeals this limitation, allowing a law enforcement officer to stop and cite a driver solely for a failure to wear a safety belt.</td>
<td>Court &amp; Young/</td>
<td>Postponed Indefinitely Senate State Affairs</td>
<td>Support</td>
<td>FN</td>
<td>Colorado is one of only 16 states without a primary seat belt law. Experience in those states shows primary seat belt laws cause seat belt usage to rise and unrestrained traffic fatalities to decline. Any unbuckled passenger can become a dangerous projectile in a crash. Making not wearing a seat belt a primary offense would make driving safer for all passengers in a car. A primary seat belt law would be expected to reduce medical and work loss costs in the state.</td>
<td>DRCOG supports: Increased funding for transportation to preserve the system, address congestion and safety, and provide multi-modal options for people of all ages, incomes and abilities.</td>
</tr>
<tr>
<td>SB 18-181</td>
<td>4-year Motor Vehicle Emissions Inspection Cycle - The bill extends the motor vehicle emissions inspection cycle for 1982 and newer model motor vehicles from every 2 years to every 4 years and specifies that a motor vehicle does not fail an emissions inspection solely because a check-engine light is illuminated on the motor vehicle’s dashboard.</td>
<td>Cooke &amp; Holbert/</td>
<td>Postponed Indefinitely Senate Transportation</td>
<td>Oppose</td>
<td>NA</td>
<td>Since the Denver Metro/North Front Range’s vehicle inspection and maintenance program is included in the Moderate Ozone State Implementation Plan (SIP), any changes to the program would need to be approved by the Environmental Protection Agency (EPA). Should this bill pass, it is unlikely that the EPA would approve the new legislation. EPA has never approved a vehicle inspection program that requires inspections less than every two years and the SIP would need to be amended to offset the increase in emissions from mobile sources.</td>
<td>DRCOG supports: efforts to reduce emissions from all sources sufficient to meet federal air quality standards; alternative fuel sources and clean-burning technology and provision of infrastructure and services for alternative fuels; incentives for purchasing high fuel economy or alternative fuel vehicles or for accelerated retirement of inefficient or high-polluting personal, commercial, or fleet vehicles that are beyond repair; offering services, including incentives that encourage and facilitate the use of alternative modes of travel.</td>

<td>SB 18-196</td>
<td>Repeal Late Vehicle Registration Fee - Under current law, if the owner of a motor vehicle fails to register the vehicle when required the owner must, upon registering the vehicle and subject to a $100 cap, pay a late fee of $25 for each month or portion of a month for which the registration is late. The bill repeals the late fee, effective January 1, 2019.</td>
<td>T. Neville &amp; Lundberg/ Ransom</td>
<td>Postponed Indefinitely House State Affairs</td>
<td>Oppose</td>
<td>FN</td>
<td>DRCOG supported SB 09-108 (FASTER), which instituted the late fee. Additionally, DRCOG has opposed previous bills to repeal the late fee. The fiscal note estimates the bill would reduce state revenues by $5 million in FY 2018-19 and $10 million for FY 2019-20. The bill also will reduce local government revenues by an estimated $5.6 million in FY 2018-19 and $11.4 million for FY 2019-20.</td>
<td>DRCOG supports: Increased funding for transportation to preserve the system, address congestion and safety, and provide multi-modal options for people of all ages, incomes and abilities.</td>
</tr>
<tr>
<td>SB 18-1340</td>
<td>Transfers Of Money For State’s Infrastructure - Joint Budget Committee. For the 2018-19 fiscal year, the bill (as introduced) transfers: $71,431,345 from the general fund to the capital construction fund; $15,206,760 from the general fund to the information technology capital account of the capital construction fund; $500,000 from the general fund exempt account of the general fund to the capital construction fund; $30 million from the general fund to the controlled maintenance trust fund; $150,000 from the preservation grant program account of the state historical fund for historical property rehabilitation in the capitol complex; and $495 million from the general fund to the State Highway Fund for state priority projects. (The Reengrossed bill provided that of this amount, 25% is allocated to counties, 25% is allocated to municipalities, and 15% is allocated to the multimodal transportation options fund created in the bill.)</td>
<td>Hamner/ Lambert</td>
<td>Awaiting Governor’s Signature</td>
<td>Staff Discretion to Support with Amends.*</td>
<td>FN</td>
<td>This bill makes FY 2018-19 transfers for capital construction, controlled maintenance, and information technology projects listed in the 2018 Long Bill. The bill also makes transfers to the Controlled Maintenance Trust Fund and to the State Highway Fund. The transfer to the State Highway Fund is conditional upon Senate Bill 18-001. If SB 18-001 is not adopted, the bill also transfers $495.0 million in FY 2018-19 from the General Fund to the State Highway Fund. The House version of the bill provided an allocation of those funds 25 percent, or about $123.8 million, to counties, 25 percent to municipalities, and 15 percent, or about $74.3 million, allocated to the Multimodal Transportation Options Fund created under the bill. This fiscal note assumed that the remaining 35% or $173.1 million will stay in the State Highway Fund for use by CDOT. The Senate version of the bill goes back to the introduced bill with the provision that the State Treasurer shall make the payments quarterly. With the passage of SB001, this provisions is removed from the bill.</td>
<td>DRCOG supports: Increased funding for transportation to preserve the system, address congestion and safety, and provide multi-modal options for people of all ages, incomes and abilities.</td>
</tr>
</tbody>
</table>

*DRCOG Board Position on Transportation Funding Bills: DRCOG will support or oppose Senate Bill 18-001, HB 18-1340, any other transportation funding bills, or any proposed amendments based on the following principles: No bonding without new revenue substantial local share; substantial multimodal share; both for the whole period of the state contribution (one current proposal is for six years); and no restrictions on managed lanes.

SUMMARY
The DRCOG Board adopted Resolution No. 14, 2013 in September 2013 modified the FasTracks annual review process. The resolution requires RTD to provide a FasTracks annual status report for informational purposes by May 1 of each year. The 2018 FasTracks Annual Status Report is attached. RTD staff will summarize the report at the May Board meeting.

1290 Broadway, Suite 700
Denver, CO 80203

Re: 2018 FasTracks Status Report

Dear Mr. Helfant:

The 2018 FasTracks Status Report, which is attached, is submitted for your review and distribution per DRCOG Resolution No. 14 dated September 18, 2013. This resolution states that RTD is to provide an annual status report to DRCOG on the FasTracks Program for informational purposes.

Seven FasTracks projects have been completed and are in operation. These include:

<table>
<thead>
<tr>
<th>FasTracks Projects Completed</th>
<th>Date of Completion</th>

</tr>
</tbody>
</table>

Construction on three additional FasTracks Projects is well underway. These include the North Metro Rail Line (DUS to 124th Avenue), the Southeast Rail Extension (SERE), and the Gold Line (DUS to Arvada and Wheat Ridge). Construction on the North Metro Line began in 2014 and significant completion has been made in sections of the corridor. Most noteworthy is the completion of the substructure for the 2-mile long Skyway Bridge, which will be the longest bridge in Colorado.

The SERE project, also under construction, received a Small Starts Construction Grant Agreement (SSGA) in the amount of $92 million from the Federal Transit Administration (FTA) in April 2016. Construction was initiated in May 2016 and since that time, all bridge structures and track work have been completed; the RidgeGate Parking structure is substantially complete; the SkyRidge and RidgeGate Parkway Stations are largely complete; and the Lone Tree City Center Station is underway. The project is scheduled for revenue service not later than May 30, 2019.
Fully built since 2016, the Gold Line (G Line) from DUS to Arvada and Wheat Ridge is a commuter rail line that is part of the Eagle project (East, Gold, and Northwest Rail Phase 1). Initial testing has been conducted with flaggers stationed at the at-grade crossings. This requirement has been necessary here, as well as along the University of Colorado A Line, which utilizes the same technology. Both commuter rail lines use the same wireless gate activation technology at the at-grade crossings.

On April 25, 2018, following a March 28, 2018 deliberation meeting, the Public Utilities Commission (PUC) issued a written ruling that provides a path to removal of flaggers on both the G Line and the University of Colorado A Line. This follows a previously-received waiver from the Federal Railroad Administration (FRA). These favorable rulings will allow RTD to move forward with full testing of the G Line, which is required prior to opening for revenue service. Next steps are being assessed so that a schedule for opening can be determined. The FRA waiver and the PUC ruling also set the stage for the final steps in establishing quiet zones. Establishment of quiet zones is within the purview of local governments rather than RTD. However, RTD worked with local governments to send Notices of Intent and will continue to assist in the next steps to establish quiet zones.

Remaining FasTracks projects that are not yet in construction include North Metro Rail from 124th Avenue to 162nd Avenue; the Southwest Rail Extension; the Central Corridor Extension; and the Northwest Rail Line Phase 2. At present, funding has not been identified for these projects, which places them beyond the time horizon for the DRCOG fiscally-constrained RTP. RTD continues to consider all options and to seek funding for these projects so that they can be implemented prior to 2040. Once funding is identified, an appropriate schedule can be determined.

The FasTracks Program costs through 2020 is attached. Also, the status of all FasTracks projects, including those not scheduled for completion prior to 2040, is summarized on the attached Progress Fact Sheet.

Please do not hesitate to contact me if you have additional questions.

Sincerely,

William C. Van Meter
Assistant General Manager, Planning
RTD - FasTracks

</table>
**W Line (West)**
This service between Union Station and the Jefferson County Government Center began in April 2013.

**Flatiron Flyer (US36 BRT)**
This bus rapid transit service between Denver and Boulder began January, 2016.

**Denver Union Station**
The Union Station bus concourse is open. Commuter rail trains are operational at the station behind the historic building.

**University of Colorado A Line (East)**
In the first year, the rail line carried nearly five million passengers and traveled 1.2 million miles. The train serves approximately 22,000 passenger trips a day.

**Free MetroRide**
This popular free bus service began in May 2014 and complements the Free MallRide in downtown Denver.

**B Line (Northwest)**
The B Line to Westminster opened July 2016.
R Line (I-225)
The R Line through Aurora opened February 26, 2017.

G Line (Gold)
The G Line has the same at-grade crossing technology as the University of Colorado A Line. Steps have been taken to resolve common issues. Testing will continue and efforts toward scheduling an opening date are underway.

N Line (North)
The substructure for the Skyway Bridge, which will be the longest bridge in the state, is complete. Catenary poles are being set along the guideway, along with the installation of ballast and rail. All design packages are complete and station work is well underway.

L Line Extension (Central)
RTD staff is continuing advanced engineering and updating the cost estimate. In January 2018, the Welton Street segment of the D Line was separated from the D Line and began operating as the L Line to provide better service along Welton Street.

C & D Lines Extension (Southwest)
Southwest stakeholders and RTD staff are evaluating opportunities to move the project forward.

E, F & R Lines Extension (Southeast)
Construction began in June 2016. Bridge structures and track work have been completed. Further, the four level RidgeGate end-of-line parking structure is substantially complete and work on all three stations is underway. Service is scheduled to begin in 2019.

Safety
The commuter rail safety outreach program is complete for the University of Colorado A Line, B Line and G Line. Forty-seven schools and nearly 35,000 students received safety training. Safety outreach will continue via the Dumb Ways to Die campaign.

**SUBJECT**
Bike to Work Day 2018

**PROPOSED ACTION/RECOMMENDATIONS**
No action requested, this item is for information only.

**ACTION BY OTHERS**
N/A

**SUMMARY**
Steve Erickson, Communications and Marketing Director, will present information on the 2018 Bike to Work Day event, planned for June 27, 2018. He'll discuss the purpose and history of the event, how it fits in with Way to Go commute options efforts, and what to expect across the region.

**PREVIOUS DISCUSSIONS/ACTIONS**
N/A

**PROPOSED MOTION**
N/A

**ATTACHMENT**
Staff presentation

**ADDITIONAL INFORMATION**
If you need additional information, please contact Douglas W. Rex, Executive Director, at 303-480-6701 or drex@drcog.org; or Steve Erickson, Communications and Marketing Director at 303-480-6716 or serickson@drcog.org
Bike to Work Day 2018

June 27
Bike today for a better tomorrow

Presented by:
Steve Erickson
Communications and Marketing Director
May 16, 2018

Agenda

• Way to Go overview
• 2018 Bike to Work Day
  • Building on past success
  • What’s new this year?
• Long-term benefit to region
• How you can help
Way to Go

- Federally funded program to reduce traffic congestion and improve air quality
- Partnership with seven transportation management associations
- Regionwide advertising and outreach
  - Employer outreach
  - Employer campaigns – GoTober
  - Community outreach
  - Events

Behavior change

Carpooling
Behavior change

Vanpooling

Transit

Behavior change
Behavior change

Walking

Behavior change

Teleworking
Behavior change

Biking

Behavior change

• 28th year
• Fourth Wednesday of June (Colorado statute)
• Supportive, fun and safe environment encouraging people to try bike commuting
• New bike commuters realize it’s easy and the benefits are significant
• Catalyst for changing behavior
• We’re No. 2!
Biking to Work

Goals for 2018

- **36,000** riders
- **38 percent** first-timers – we want to introduce 13,000-plus to bike commuting in one day
- **350** breakfast and bike home stations, including parties
- **800** organizations participate in the Business Challenge
What’s new for 2018

• Poster and T-shirt design
• Prizes on the 1000s
• *Denver Business Journal* sponsoring Business Challenge
• Grand prize – cycling trip to Iceland
• More stations, more businesses, more fun
• Active Bike Corridors
• Winter Bike to Work Day

2018 Bike to Work Day poster
Beyond Bike to Work Day

- Long-term behavior change
- Metro Vision goals
- DRCOG leads the way
- Signature event: Part of a healthy ecosystem in our region
- One of many commuting choices

Bike today for a better tomorrow

- 2,300 miles of bicycle facilities in the region
- 2018-2021 TIP cycle – 21.4 percent bike and pedestrian projects
- Your communities
- Active Transportation Plan
- Regional momentum
Between 2000 and 2014, bike commuters doubled (fastest-growing mode) U.S. CENSUS.

Colorado is the No. 3 state in bike commuting in the nation! AMERICAN COMMUNITY SURVEY 2011-2013.

By 2040, all trips are projected to increase by 35 percent. Biking expected to increase by 56 percent. DRCOG MODEL.

How you can help:

- Order a T-shirt
- Distribute posters
- Visit breakfast and bike home stations
- Make certain your town, city or county has signed up for the Business Challenge
- Social Media
- Ride!
Back in “the Day”

See you on Wednesday, June 27!

SUBJECT
Update on Census 2020 activities.

PROPOSED ACTION/RECOMMENDATIONS
No action requested, this item is for information only.

ACTION BY OTHERS
N/A

SUMMARY
Preparations for Census 2020 are underway. This brief update will discuss programs like the Local Update of Census Addresses (LUCA), the Boundary and Annexation Survey (BAS), and the Participant Statistical Areas Program (PSAP). Important dates and recommended ways to engage will be presented.

PREVIOUS DISCUSSIONS/ACTIONS

ADDITIONAL INFORMATION
If you need additional information, please contact Douglas W. Rex, Executive Director, at 303-480-6701 or drex@drcog.org; or Ashley Summers, IS Manager, at 303-480-6746, or asummers@drcog.org.
Boundary and Annexation Survey (BAS)

What is the Boundary and Annexation Survey?
The Boundary and Annexation Survey (BAS) is the primary way that local, county, and tribal governments ensure that their legal boundaries—and consequently, their official population counts—are correctly recorded with the federal government. Every year, governments use the BAS to update their legal boundaries and official names.

In the BAS, governments report official name changes, (dis)incorporations, and (de)annexations. Governments can also update boundaries, features, and landmarks for:

- Cities, towns, boroughs, and villages (incorporated places)
- Townships and towns (minor civil divisions)
- Counties (or county equivalents)
- Consolidated cities
- Roads and other applicable linear features

How does the BAS benefit you?
Legal boundaries determine your government's population count every year in the American Community Survey and the Population Estimates Program. Many government agencies and other groups use population counts to determine the allocation of funds. Responding to the BAS ensures that your local government has the best data available for its decision-making processes, and that it receives all of the funds for which it is entitled.

In addition, our boundary records are publicly available and used by many other federal agencies, researchers, and the public. Because the U.S. Census Bureau is responsible for tracking America’s legal boundaries and population data, geographic updates that you provide to us ripple out in numerous important ways.

Accurate boundary records directly affect the quality of life in your community.

Accurate boundaries allow us to count your community's residents accurately.

Your participation in the BAS helps the Census Bureau continue to produce accurate data, which directly affects the quality of life in your community.

An accurate count helps the federal government allocate more than $400 billion in federal funds annually for programs and services—including education, housing, health care services for the elderly, job training, transportation, and more.

Contact us at <geo.bas@census.gov> or 1-800-972-5651.

Find forms, information, and materials about the BAS online at <www.census.gov/programs-surveys/bas.html>.

Accurate boundaries allow us to count your community's residents accurately.

Your participation in the BAS helps the Census Bureau continue to produce accurate data, which directly affects the quality of life in your community.

An accurate count helps the federal government allocate more than $400 billion in federal funds annually for programs and services—including education, housing, health care services for the elderly, job training, transportation, and more.

Connect With Us
Responding to the BAS is easy.
The Census Bureau provides multiple free, user-friendly methods for responding to the BAS.

**Paper option**
BAS participants can request free paper maps from the BAS Web site.

**Basic digital option**
The Geographic Update Partnership Software (GUPS) is a free, customized Geographic Information Systems (GIS) tool that will be available during the BAS. It was specifically developed for people who do not have geographic training or are not experienced GIS users.

**Advanced digital option**
Experienced GIS users can update boundaries in their own GIS. The Census Bureau provides free GIS files in shapefile format on its Web site, along with digital update guidelines. Governments can update those shapefiles in their GIS and use them to respond to the BAS.

To make responding to the BAS as easy as possible, we’ve created a YouTube channel with videos to walk you through the survey.

To see the existing boundaries that we have on file for your community, visit the Census Bureau’s online map application at [https://tigerweb.geo.census.gov/tigerwebmain/TIGERweb_main.html](https://tigerweb.geo.census.gov/tigerwebmain/TIGERweb_main.html).

Will the Census Bureau contact my government for the BAS program?
Every year, the Census Bureau will send the BAS to key contacts for every government affected by the survey:

- The government’s highest-elected official, such as the mayor or county executive.
- A GIS staff, planner, clerk, or other contact that the government instructs us to contact.
- The relevant state-level official.

BAS Schedule

**December:** The Census Bureau e-mails annual response information to BAS contacts with instructions for participation.

**March 1 (first deadline):** Legal boundary updates (not including nonlegal boundary corrections) sent by this date are included in the next Population Estimates Program and American Community Survey shapefiles and population estimates.

**May 31 (final deadline):** Boundary updates sent by this date will appear in the next year’s BAS shapefiles.
The 2020 Census Local Update of Census Addresses Operation (LUCA)

What is LUCA?

LUCA is the only opportunity offered to tribal, state, and local governments to review and comment on the U.S. Census Bureau’s residential address list for their jurisdiction prior to the 2020 Census. The Census Bureau relies on a complete and accurate address list to reach every living quarters and associated population for inclusion in the census.

Why participate in LUCA?

• To help ensure an accurate decennial census count in your community.
• To help the federal government distribute more than $400 billion in funds annually for infrastructure, programs, and services.
• To help your community plan for future needs.

Who can participate in LUCA?

Active, functioning, legal governments can participate in LUCA. These include:

• Federally recognized tribes with a reservation and/or off-reservation trust lands.
• States.
• Counties.
• Cities (incorporated places).
• Townships (minor civil divisions).

If you are unable to participate in LUCA, you may designate an alternate reviewer for your government, such as your county, state data center, or regional planning agency.

Schedule

• January 2017: Advance notification of LUCA mailed to the highest elected official (HEO) or Tribal Chairperson (TC) of all eligible governments and other LUCA contacts.
• March 2017: LUCA promotional workshops begin.
• July 2017: Invitation letter and registration forms mailed to the HEO or TC of all eligible governments.
• October 2017: Training workshops begin. Self-training aids and Webinars will be available online at the LUCA Web site.
• February 2018: Participation materials mailed to registered participants. Participants have 120 calendar days from the receipt of materials to complete their review.
• August 2019: Feedback materials offered to participants with the results of Address Canvassing.
• April 1, 2020: Census Day.

For more information about LUCA, call 1-844-344-0169, e-mail us at <GEO.2020.LUCA@census.gov>, or visit our Web site at <www.census.gov/geo/partnerships/luca.html>.
LUCA Materials

The Geographic Update Partnership Software (GUPS) is new for LUCA. The GUPS is a self-contained Geographic Information System (GIS) update and processing package. In addition to the software, you will receive the Census Bureau’s address list, address count list by census block, and Topologically Integrated Geographic Encoding and Referencing (TIGER) partnership shapefiles.

The Census Bureau offers its address list in digital or paper formats. The digital format requires the use of spreadsheet or database software. The paper format is available only to governments with 6,000 or fewer addresses.

Maps are offered in digital (TIGER partnership shapefiles that require GIS software) or paper (large format maps are 42 X 36 inches and include a DVD of small format [8.5 X 14 inches] block maps in Adobe PDF) formats.

The Census Bureau offers in-person training using LUCA materials. Self-training aids and Webinars are available online at the LUCA Web site.

What’s new for LUCA?

- Pre-LUCA activities provide more opportunities to submit address information and receive feedback through the continuous Geographic Support System (GSS) Program.
- Streamlined participation through the Full Address List Review provides the opportunity to review and update the Census Bureau’s address list.
- The Census Bureau’s digital address list is available in new, convenient standard software formats.
- Comprehensive data that includes ungeocoded address and residential structure coordinates.

Preparing for LUCA

You will receive only the addresses within your jurisdiction’s boundaries that are currently on file with the Census Bureau. By participating in the 2017 Boundary and Annexation Survey (BAS), you have the opportunity to verify or update your jurisdiction’s boundaries. Doing this will ensure that you receive the complete list of addresses for your jurisdiction in LUCA.

To prepare your address list before you receive your LUCA materials:

- Ensure that your address list contains multiunit structure identifiers (such as apartment numbers for individual units) and that you can distinguish between residential addresses and nonresidential addresses.
- Identify local address sources, such as building permits, E-911 address files, local utility records, annexation records, and assessment or taxation files.
- Visit the LUCA Web site or plan to attend a LUCA promotional workshop to get more information about participating in the program.
PSAP offers federally recognized tribes, state tribal liaisons, local governments, councils of governments, and regional planning organizations the opportunity to review and modify select statistical boundaries that the U.S. Census Bureau uses to count people in your community, so that we can give you the most relevant, useful data possible.

Statistical boundaries let us give you the small-area statistics and spatial data you need. You know your local community best. By participating in PSAP, you can help us provide relevant, useful data about population, income, and housing for small-area geographic analyses.

The Census Bureau uses these boundaries to tabulate data for the 2020 Census, the American Community Survey, and the Economic Census. Data tabulated to PSAP geographies are used by tribal, federal, state, and local agencies for planning and funding purposes, as well as by the private sector, academia, and the public.

Standard statistical geographies include:
- Census tracts
- Census block groups
- Census designated places (CDPs)
- Census county divisions (CCDs)

Tribal statistical geographies include:
- Tribal census tracts
- Tribal block groups
- Tribal designated statistical areas (TDSAs)
- State designated tribal statistical areas (SDTSA)S
- State reservations
- Oklahoma tribal statistical areas (OTSAs)
- OTSA tribal subdivisions
- Alaska Native village statistical areas (ANVSAs)

What is a statistical boundary?
A statistical boundary breaks down large geographical areas into smaller, local areas. These small-area boundaries let you compare poverty, health, education, and many other topics across local areas.

The Census Bureau also tracks legal boundaries—such as state and county borders, city limits, and federally recognized American Indian Reservations—through the Boundary and Annexation Survey (BAS).

To learn about PSAP and to obtain the most up-to-date schedule, please visit <www.census.gov/programs-surveys/decennial-census/about/psap.html>. For additional assistance, please contact the Census Bureau at <geo.psap@census.gov> or 844-788-4921.
How can I participate?
In July 2018, the Census Bureau will invite regional planning agencies, councils of governments, local governments and organizations, and all federally recognized tribes and state tribal liaison offices to participate in PSAP.

If you are interested in PSAP and do not receive an invitation, please visit the PSAP Web site to locate the contact information for your participating local planning agency, council of government, or other organization. Once you have identified and contacted the proper PSAP participant, you will work directly with the PSAP participant and the PSAP participant will work with the Census Bureau to review and modify statistical boundaries for your locality. An updated list of PSAP participants will be published on the PSAP Web site in the fall of 2018.

Before the start of PSAP, the Census Bureau will create a proposed 2020 PSAP plan of modified PSAP geographies for PSAP participants to review. We will send participants both the 2010 PSAP geography and the proposed 2020 PSAP plan to review.

During the program, participants will work with interested local parties to review the 2020 PSAP plan and send modifications back to the Census Bureau. The Census Bureau provides a free software called Geographic Update Partnership Software (GUPS) for participants to review the boundaries and generate the final 2020 PSAP plan.

Other Census Bureau Geography Programs
As the 2020 Census approaches, tribal, state, and local governments will have several opportunities to provide input on Census Bureau geographic programs. In addition to PSAP, you may hear about these important programs:

- The Local Update of Census Addresses (LUCA) is the only opportunity offered to tribal, state, and local governments to review and comment on the Census Bureau's residential address list for their jurisdiction prior to the 2020 Census.

- The Boundary and Annexation Survey (BAS) is the primary way that tribal, state, and local governments ensure that their legal boundaries are correctly recorded with the federal government.

Upcoming Key Dates
- March–May 2018: The Census Bureau contacts 2010 Census PSAP participants to inquire about 2020 Census PSAP participation.
- July 2018: The Census Bureau sends an official letter to PSAP participants and state, county, or local points of contacts.
- Fall 2018: List of local planning agencies, councils of governments, and organizations published on the PSAP Web site.
- January 2019: PSAP participants receive materials to provide input on the 2020 PSAP plan for statistical boundaries.
- February 2019: PSAP webinar training begins.
- January 2020: PSAP participants receive an updated 2020 PSAP plan in order to verify that the statistical boundaries are correct.
- December 2020: The Census Bureau begins to release geographies from the 2020 Census.

Version 2, 10/17/2017

SUBJECT
DRCOG Scorecard report for one strategic objective and one performance.

PROPOSED ACTION/RECOMMENDATIONS
N/A

ACTION BY OTHERS
N/A

SUMMARY
DRCOG’s Balanced Scorecard work began in April 2014 and led to the design of a DRCOG scorecard and five division scorecards. Periodically, we will be reporting an informational item to the Board on select objectives and measures that we’re focused on internally. This report focuses on the objective, Promote Informed Decisions, and a single measure for Website Traffic.

PREVIOUS DISCUSSIONS/ACTIONS
Since 2015, reports from the Executive Office scorecard have been provided periodically to Board Directors as an informational item. The periodic reports are a way of keeping Directors updated on DRCOG’s progress with our strategy work.

PROPOSED MOTION
N/A

ATTACHMENT
Attachment: Scorecard report on Promote Informed Decisions and Website Traffic

ADDITIONAL INFORMATION
If you need additional information, please contact Douglas W. Rex, Executive Director, at 303-480-6701 or drex@drcog.org or Jerry Stigall, Director, Organizational Development, at 303-480-6780 or jstigall@drcog.org.
Promote Informed Decisions

**Description:** Description: Provide information, analysis, and tools that enable decision-makers and action-takers in our communities to make informed data-driven decisions.

**Outcomes:**
* Improve processes to better acquire, manage, and disseminate the data and information that support our business needs.
* Promote a better understanding of the current and future state of the local and regional environment.
* Enable decision-makers to focus resources towards actions that are most likely to produce a positive impact in our communities.
* Enable local participation in data collaboration to improve the quality of the information on which decisions are based.
* Empower people in the community with information and encourage their involvement in local and regional discourse.
* Establish DRCOG as the "go-to" expert for information about our region.

**Objective owner:** Ashley Summers

**Type:** Objective

**This Period's Performance**

**Score:** 7.29

</tbody>
</table>

**Summary:** The website traffic measure is collected quarterly. The measure was developed in 2014 and we began tracking data in Q1 2015. Variance in the data in Q2 of each year is due to Bike To Work Day registrations. The dotted line shows the trend since data collection began in Q1 2015. The red flag and goal under the speedometer are the low and high targets set for this measure.

**Action:** DRCOG wants to provide more information that is helpful to our member jurisdictions, partners, and clients via self-service.

May 16, 2018 | Informational | 17

SUBJECT
May administrative modifications to the 2018-2021 Transportation Improvement Program.

PROPOSED ACTION/RECOMMENDATIONS
No action requested. This item is for information.

ACTION BY OTHERS
N/A

SUMMARY
Per the DRCOG Board-adopted Policy on Transportation Improvement Program (TIP) Preparation, administrative modifications to the 2018-2021 TIP are reviewed and processed by staff. Administrative modifications represent revisions to TIP projects that do not require formal action by the DRCOG Board.

Once processed, the projects are posted on the DRCOG 2018-2021 TIP web page and emailed to the TIP Notification List, which includes members of the Regional Transportation Committee, the Transportation Advisory Committee, TIP project sponsors, staff of various federal and state agencies, and other interested parties.

The May 2018 administrative modifications are listed and described in the attachment. Highlighted items in the attachment depict project revisions.

1. 2018-2021 TIP Administrative Modifications (May 2018)

ADDITIONAL INFORMATION
If you need additional information, please contact Douglas W. Rex, Executive Director, at (303) 480-6701 or drex@drcog.org; or Todd Cottrell, Senior Transportation Planner, at (303) 480-6737 or tcottrell@drcog.org.
To: TIP Notification List
From: Douglas W. Rex, Executive Director
Subject: May 2018 Administrative Modifications to the 2018-2021 Transportation Improvement Program
Date: May 16, 2018

SUMMARY

- Per the Policy on Transportation Improvement Program (TIP) Preparation covering the 2018-2021 TIP, administrative modifications are reviewed and processed by staff. They are emailed to the TIP Notification List, and posted on the DRCOG 2018-2021 TIP web page.
- The TIP Notification List includes the members of the DRCOG Regional Transportation Committee and Transportation Advisory Committee, TIP project sponsors, staffs of various federal and state agencies, and other interested parties. The notification via email is sent when Administrative Modifications have been made to the 2018-2021 TIP. If you wish to be removed from the TIP Notification List, please contact Mark Northrop at (303) 480-6771 or via e-mail at mnorthrop@drcog.org.
- Administrative Modifications represent minor changes to TIP projects not defined as “regionally significant changes” for air quality conformity findings, or per CDOT definition.
- The projects included through this set of Administrative Modifications are listed below. The attached describes these modifications.

PROJECTS TO BE MODIFIED

- **New Project:** I-25/SH-119 Interchange and Park-N-Ride Improvements
  - New project

- **2007-079:** Region 1 Bridge Off-System Pool
  - Add funding

- **2008-076:** Region 1 FASTER Pool
  - Add funding

- **2016-057:** Region 1 RPP Pool
  - Add funding
**New Project:** Add SB 267 funding to construct Bustang station/stop infrastructure

**Title:** I-25/SH-119 Interchange and Park-N-Ride Improvements

**TIP-ID:** Request  
**STIP-ID:** SSP4428  
**Open to Public:**  
**Sponsor:** CDOT Region 4

**Project Type:** Transit Passenger Facilities

**Project Scope**
Construct Bustang passenger stations and stops with appropriate pedestrian facilities, ADA ramps, and bus pullouts.

**Affected County(ies):** Weld
