

Parks, Schools and Open Space Subcommittee Status Report

January 15, 2010

PSO Subcommittee Status

- 📄 Bad news - We have been late to start
 - Not much progress in 2009
- 📄 Good news - We have a head start
 - Denver Metro (and beyond) regional parks and open space dataset created by DRCOG in about 2005
 - Denver Metro schools dataset created by Denver Water in 2006/2007
 - Denver Metro extent, but only with DW 'Combined Service Area'

PSO Subcommittee Status Parks

- 📄 Denver Metro (and beyond) regional parks and open space dataset created by DRCOG in about 2005
 - Data collected from 30+ city, county, state, federal, regional sources
 - Integrated into one product
 - People Network in place, but dated

PSO Subcommittee Status Parks

- 📄 DRCOG Dataset edited by Denver Water 2006 - 2008
 - Added parks for Wheat Ridge, Lakewood
 - Added some new parks
 - Added unique identifier tied to source's facility ID where available

DRCOG Parks and Open Space 2005

PSO Subcommittee Status Parks

DRCOG Regional Data Consortium Status

- Several entities ready to participate
 - DRCOG (of course...)
 - Aurora
 - Denver
 - Denver Water
 - South Suburban
 - Several Cities, Counties

PSO Subcommittee Status Schools

- ☞ A few school point datasets exist
 - Colorado Dept. of Education (03, statewide)
 - DRCOG (DOE clone, 05, Denver Metro)
 - Created by geocoding
- ☞ Denver Metro School Grounds polygon dataset created by Denver Water
 - Denver Metro extent, but only within DW 'Combined Service Area'
 - Added unique identifier tied to source's facility ID where available

Denver Water Schools Data

PSO Subcommittee Status Schools

DRCOG Regional Data Consortium Status

- Looking for interested participants
- Any ideas?
