Independence Pass Conference Room
(West Side on Ground Floor)
1290 Broadway

1. Welcome/Introductions
2. Miscellaneous Equipment Purchase Program (MEPP) Process (20 min.)
 - Review proposed approach to ensure successful implementations.
3. Arterial Progression Index (API) Update (10 min.)
 - DRCOG staff continues to confirm baseline process.
 - DRCOG staff continues to consider impacts on program's process and reporting.
4. CCTM Web Page (15 min.)
 - The City and County Traffic Management (CCTM) web page was developed by CDOT in 2010 as an ITS Pool project. As part regular system software maintenance, CDOT is considering the effort to update its code. CDOT has asked DRCOG about the level of use of this web page.
 - How often do YOU use this page? What do you use and what do you not use? If you do not use this page, why? What functionality do you feel is missing from this page?
5. Regional Representation (15 min.)
 - Discuss options for and implications of DRCOG staff assisting local jurisdictions with monitoring and commenting on NPRM and similar industry developments.
6. Evolution of Regional Transportation Operations (40 min.)
 - Continue discussions of regional operations needs initiated at the last meeting.
7. Other Items/Announcements
 - Next meeting is scheduled for **August 27, 2014**.
