- Project Schedule

**10:30**          **Come ask us a Question!**

- CDOT and DRCOG staff will be available to answer questions and assist sponsors in project development.
- Sponsors are encouraged to bring draft plans, ideas, and other materials related to their potential TIP project requests, though there is no requirement to stay and do so!

---

***Please note the following:***

1. For sponsors to be eligible to submit project application(s) for the Calls for Projects, they must have at least one representative at this training session, unless they previously attended a training in 2018.
2. If no one from your staff (or your consultants) can attend either of the trainings, please contact DRCOG staff.
