One United Region, One United Grant Application

- Limited resources
- EPA:
 - **Awarding no more than two grants** to applicants at the same level of government within a single CPRG jurisdiction.
 - Ensure **diverse geographic coverage** of funding
 - Encouraging collaboration and big projects
- Two grants puts decision making into the EPA's hands, not ours
- If individual agencies apply for smaller grants on their own, we **risk losing out on a large, collaborative grant.**

Implementation Workshop Overview – January 11

Grant Application Requirements–To Discuss on January 11th

- Timeline and roles for submission.
- Key implementing agencies.
- Implementation timeline and milestones (including obtaining reg/leg authority).
