SCI Gold Corridor Working Group – Meeting #7

December 3, 2013, 1:30 pm – 4:00 pm

Anne Campbell Room, Arvada City Hall, 8101 Ralston Road, Arvada.

Agenda (As of 11/25/13)

Meeting Purpose: *Finalize the selection of a catalytic site and the identification of tasks related to implementation strategies for which corridor-wide technical assistance funds will be used, and outline next steps for obtaining final approval and developing the RFPs.*

Welcome, Introductions and Agenda Overview

Goal: Provide a recap of the last meeting, and review and modify the agenda as needed.

Discuss and Decide How Corridor-wide Technical Assistance and Catalytic Site Resources will be Used

Goal: The group will discuss and refine priorities for corridor-wide technical assistance. They will then re-consider the catalytic site proposals shared at the November meeting, and finalize how the \$450K in resources should be spent, with at least \$150K on corridor-wide technical assistance and \$150K on a site-specific, catalytic site.

Outline Next Steps for Developing the Statement(s) of Work

Paul Aldretti, DRCOG, will provide an overview of the next steps and schedule to obtain final approval for the projects and finalize the Statement(s) of Work. He will also describe CWG Members' roles in selecting consultants and managing technical aspects of the projects. The group will outline specific CWG member's roles for next steps.
