

A banner for the Denver Region Sustainable Communities Initiative. It features a background image of a modern residential building and a park area with a path and trees. The text "Denver Region Sustainable Communities Initiative" is written in a white, cursive font across the top. Below the text, there are logos for SCI (Sustainable Communities Initiative) and DRCOG (Denver Regional Council of Governments) with the tagline "We make life better!".

SCI Northwest Corridor Working Group – Meeting #2

9:00 am-11:00 am, Wednesday, November 6, 2014

Library Meeting Room, Louisville Public Library, 951 Spruce St., Louisville, CO 80027

Meeting Agenda

Meeting Purpose: Provide input regarding the Corridor Reconnaissance and Baseline Data and Mapping and provide input about opportunities and challenges that exist throughout the corridor and at specific station areas.

Welcome, Introductions, Agenda Overview and Updates Goal: Inform the group about status of last meeting's action items and modify the agenda as needed.

- Approve the corridor Work Plan, CWG Operating Protocols and Meeting #1 Summary
- Updates
 - Corridor Stakeholder Committee
 - West End Terminus

Discuss Benefits and Considerations for Corridor Planning

Goal: To share information about the benefits and considerations related to TOD planning at the corridor-wide scale and discuss how these insights apply to the NW Corridor.

Review and Discuss NW Corridor Baseline Data and Mapping

Goal: Attain CWG support and concurrence for the baseline data and mapping presented. Obtain input about any additional information that is relevant for NW Corridor planning.

Review and Discuss Existing Station Area Plans and Corridor-Wide Planning

Goal: Attain CWG input about what they see as the opportunities and challenges both corridor-wide and at their respective station areas.

Review Action Items/ Next Steps

- Introduction about priorities, vision and goals
- Confirmation of action items and what CWG can expect between meetings
