

SCI Northwest Corridor Working Group – Meeting #3

9:00 am-11:00 am, Tuesday, December 3, 2013
Westminster City Hall, Multi-Purpose Room

Meeting Purpose: To identify initial corridor-wide goals and a vision that will lay the groundwork for moving forward with identifying recommended strategies for implementation. To finalize the criteria and process for selecting corridor-wide technical assistance and a catalytic site.

Welcome, Introductions, Agenda Overview and Updates

- Approve the NW CWG Meeting #2 Summary
- Approve the revised Baseline Reconnaissance Report and Corridor Opportunities and Challenges document
- Corridor Stakeholder Committee Update

Discuss the Corridor Goals and Vision

Goal: To define the goals of the NW Corridor and develop a corridor-wide vision.

- Importance of why we are developing goals and a vision.
- Example Vision and Goals on the East & Gold Corridors
- Review “draft” Northwest Corridor Goals
- NW Corridor Vision Statement

Review and Discuss Criteria for a Catalytic Site and Technical Assistance

Goal: To provide clarity about the criteria that will be used in defining a catalytic site project and selecting technical assistance for supporting the implementation of the corridor-wide recommended strategies.

- Catalytic Site and Technical Assistance Criteria
- Available Funding
- Draft list of Corridor-Wide Recommendations

Discuss the NW CWG Work Plan and a Preview of 2014

Goal: To clarify expectations about what will be accomplished in 2014, when and by whom.

Review Action Items/ Next Steps

- Confirmation of action items and what CWG can expect between meetings
