## SCI Northwest Corridor Working Group Agenda – Meeting #4

9:00 am-11:00 am, Wednesday, January 8, 2014  
Louisville Public Library, Library Meeting Room

**Meeting Purpose:** *Discuss and identify recommended corridor-wide strategies for implementation that can be supported by Technical Assistance. To explore ideas for proposed a Catalytic Site projects that the Corridor Working Group would like to discuss further.*

### Welcome, Introductions, Agenda Overview and Updates

- Approve the NW CWG Meeting #3 Summary

### Northwest Corridor Vision and Goals

**Goal:** *Approve the refined Northwest Corridor Vision and Goals based on CWG input.*

- Corridor Stakeholder Committee Update about Vision and Goals
- Approve the revised Northwest Corridor Vision and Goals

### Approve the Catalytic Site and Corridor-wide Technical Assistance Criteria

**Goal:** *Approve the criteria that will be used in defining a Catalytic Site project and selecting Technical Assistance for supporting the implementation of the corridor-wide recommended strategies.*

- Finalize Catalytic Site and Technical Assistance Criteria

### Northwest Corridor Recommendations for Corridor-wide Implementation:

**Goal:** *Understand how the Recommended Implementation Strategies relate to the identified goals. Identify broad corridor-wide support for what the Technical Assistance funding can be applied to.*

- Review potential implementation strategies.
- Obtain input about revising, combining, adding or eliminating strategies.
- Discuss what strategies technical assistance funding should be prioritized for.
- Discuss how the top prioritized strategies can meet both near and long term goals.

### Discuss Potential Catalytic Site Ideas

**Goal:** *Understand initial ideas about potential Catalytic Site projects and what corridor-wide benefits they could have.*

- Review and discuss Catalytic Site Ideas and Proposals
- Discuss next steps for selecting a Catalytic Site
