

# Board update

May 18, 2022

## Action items

### **Review and approval of the DRCOG fiscal year 2022-2023 budget**

**Presenter:** Jenny Dock, director, Administration and Finance

**Background:** The DRCOG budget is a fiscal guide for the operation of the organization from July 1, 2022 to June 30, 2023. The Finance and Budget Committee recommended the Board approve the proposed fiscal year 2022-2023 budget.

**Result:** The Board approved the fiscal year 2022-2023 budget.

### **Review and approval of proposed Transportation Improvement Program projects**

**Presenter:** Ron Papsdorf, director, Transportation Planning and Operations

**Background:** DRCOG issued a regional share call for projects focused on air quality and multimodal projects (with \$40,343,000 available) for the current fiscal year 2022-2025 TIP. After soliciting public comment on the project submittals, DRCOG staff convened a regional share TIP project review panel to review and score projects. The panel recommended funding six projects.

**Result:** The Board approved funding the six TIP projects recommended by the panel.

## Informational briefing

### **Discussion on the General Assembly's 2022 session**

**Presenter:** Rich Mauro, director, legislative affairs

**Background:** The Colorado General Assembly completed its 2022 legislative session on May 11. Throughout the session, DRCOG staff compiled bills of interest with staff comments and recommended positions (relative to the Board-adopted [Policy Statement on State Legislative Issues](#)) for Board consideration. Mauro highlighted the most significant pieces of legislation for DRCOG during the session. Mauro also provided the final list of bills on which the DRCOG Board took a position with their updated status as of May 18.

**[Briefing on regional shared micromobility program and data collaborative](#)**

**Presenter:** Emily Lindsey, active and emerging mobility program manager, Transportation Planning and Operations

**Summary:** Since 2019, DRCOG has convened local, regional, state and federal partners as part of a Micromobility Work Group. The work group identified shared micromobility data and data tools as a top regional priority.

DRCOG staff has been using Ride Report, a shared mobility management platform, since 2020 to provide local, regional and state partners access to a shared micromobility data collaborative.

Lindsey provided the Board with an update on the project's progress and accomplishments.
