Project Name: RTD Preventive Maintenance: Transit Vehicle Overhaul and Maintenance

Sponsor: RTD

Identification Number: 1997-084

Project Type: Transit Vehicles

Performance Measures: Transit Assets, Transit Safety

Affected Counties: Regional

Affected Municipalities: None

Subregions(s): None

Open to Public: None

State ID Number: None

Project Scope:

Ongoing program: Overhaul and maintenance for transit vehicles. A portion of these 5307 funds will be applied to capital cost of contracting. RTD has privatized service on fixed-routes and private carriers provide capital maintenance in addition to fixed-route bus service. In addition to routine capital maintenance, RTD will apply 5307 capital maintenance funds to bus fuel cost and utility cost for LRT vehicles as a result of the Federal Transit Administration expanded definition of allowable cost.

Project Name: FLEX Route Extension: Boulder to Longmont

Sponsor: Boulder County

Identification Number: 2016-011

Project Type: Transit Service

Performance Measures: Congestion, Safety, Transit Assets

Affected Counties: Boulder

Affected Municipalities: Boulder, Longmont, Unincorporated

Subregions(s): Boulder

Open to Public: 2020

State ID Number: None

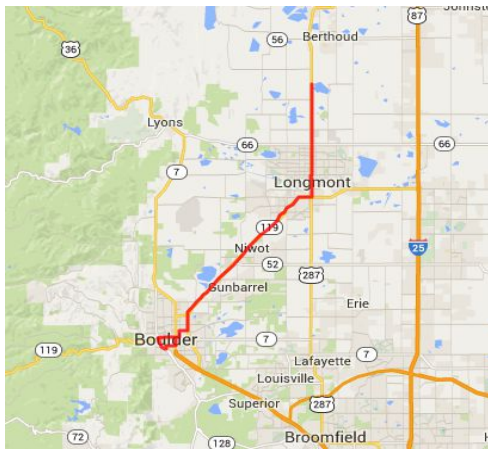

Project Scope:

This project will extend the existing FLEX route by providing service from Longmont to Boulder. This extension will create up to five, round-trip, weekday trips. These trips will run as a complement to the existing FLEX trips between Ft. Collins and Longmont, which will remain with their existing run times and with the same destinations.

Destinations for the route within Boulder include: Boulder Junction (30th & Pearl), Boulder Transit Center/ downtown Boulder (14th & Walnut), and the University of Colorado at Boulder campus.

2020-2023 TIP funding adds one new weekday midday trip, four new weekend trips, and support for the existing weekday peak period trips.

Project Name: Wadsworth Operations and Widening: 35th to I70

Sponsor: Wheat Ridge

Identification Number: 2016-020

Project Type: Roadway Capacity

Performance Measures: Congestion, Pavement Condition, Safety, Transit Assets, Transit Safety, Travel Time Reliability

Affected Counties: Jefferson

Affected Municipalities: Wheat Ridge

Subregions(s): Jefferson

Open to Public: 2024

State ID Number: None

Project Scope:

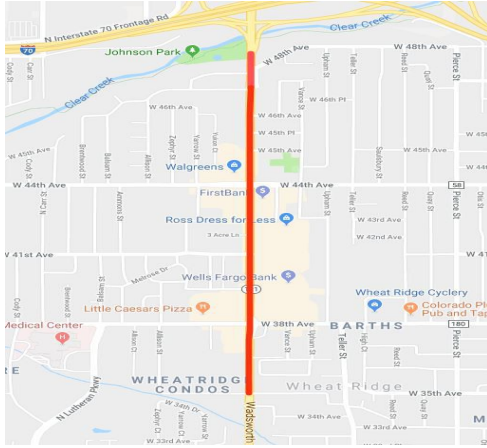

This project will widen Wadsworth Blvd from W 35th Ave to W 48th Ave from 4 to 6 lanes. Features include:

- 8-10 ft. wide sidewalks along both sides of the corridor separated from the street with 2-4 ft. wide paved buffers or 8 ft wide landscaped amenity zone
- An 12 ft wide multi-use path on the east side of Wadsworth Blvd between 35th and 44th
- Street and pedestrian-level lighting
- Landscaped center medians, raised crosswalks, and access consolidation
- Continuous flow intersections with single left turns at 38th and 44th; additional left turns at the four crossover signals and at 41st
- Traffic signals upgrades and bicycle detection
- Transit stop enhancements including shelters, benches, and kiosks

2020-2023 TIP funding continues the project north to I-70.

Project Name: East Lafayette Multimodal Path Connection: Commerce to Lafayette Park-n-Ride

Sponsor: Lafayette

Identification Number: 2016-029

Project Type: Active Transportation

Performance Measures: Congestion, Safety

Affected Counties: Boulder

Affected Municipalities: Lafayette

Subregions(s): Boulder

Open to Public: 2020

State ID Number: None

Project Scope:

This project widens existing sidewalks and constructs new 10 ft wide concrete multi-use paths along South Boulder Rd from City Center Dr east to 120th St, and then continuing south along 120th St, connecting to existing sidewalks at Commerce Ct. Two additional connections will be made to the north from South Boulder Rd; one on Merlin Dr to Sanchez Elementary School, and another on City Center Dr to west of Strathmore Ln.

A physically-protected crossing at Avalon St, 20 bicycle parking spaces, AASHTO compliant lighting, and way-finding signage with destination and distance information will also be included.

Region 4 TAP funds will fill in existing infrastructure gaps with 10 ft wide multi use path, concrete sidewalk with ADA accessible curb ramps, 1.8 miles of AASHTO-standard on-street bike lanes, enhanced pedestrian and bicycle crossings along South Boulder Rd and 120th St, as well as at the planned South Boulder Rd/120th St signalized intersection that integrates crosswalks, pedestrian lighting, concrete median refuges, and pedestrian-activated signage.
