

CLIMATE POLLUTION REDUCTION GRANT

CPRG Stakeholder Meeting
August 1, 2023

Robert Spotts, Mobility Analytics Program Manager

PROJECT STATUS- HELP IS ON THE WAY

- Grant officially awarded this morning 
- Climate Pollution Reduction Planner starts on Aug 16 
- Interviewing three consultant teams this week
 - Consultant anticipated to start work on Sept 1 
- EPA plans to release NOFO for \$4.6b in implementation grants in September.
- Priority Climate Action Plan is due March 1, 2024
 - Quantified GHG measures must be included in the plan to be eligible for implementation grants

POTENTIAL UPCOMING STAKEHOLDER SCHEDULE

- Sept 5 – Identify methodologies and priorities for consultant
- Oct 3 – Sector-specific measures
- Nov 7 – Sector-specific measures
- Dec 5 – Sector-specific measures
- Jan 2 – Final decisions regarding components/measures in plan
- Feb 6 – Final review of draft Priority Climate Action Plan

PRIORITY CLIMATE ACTION PLAN KEY ELEMENTS

- GHG Inventory
- Quantified GHG Measures
- Low-Income and Disadvantaged Communities Benefits Analysis
- Authority to Implement

WHAT WE KNOW ABOUT IMPLEMENTATION GRANTS

- **Measures must be identified and quantified in PCAP**
 - **Source Categories / Activities Affected**
 - **Estimated Reductions / Uncertainty**
 - **Criteria Pollutant Co-benefits**
 - **Toxic Air Pollutant Co-benefits**
 - **Benefits in Nonattainment Areas**
 - **Benefits analysis for LIDAC**
 - **Authority to implement**

- **Subject to Justice40 Executive Order**

THOUGHTS

- How to consolidate ideas contained in existing sustainability plans?
- How to support under-resourced jurisdictions?
- How to select projects to include in PCAP?
- Focus on areas not covered by IRA/BIL?

THANK YOU!
