I. POLICY STATEMENT

The Denver Regional Council of Governments declares its desire to obtain the broadest possible involvement in its programs and decision-making process. The principal means of obtaining this participation is through the Board of Directors and its standing and advisory committees.

II. GUIDELINES

A. PURPOSE

The Board of Directors' decision-making process is designed to achieve the following goals:

1. increase participation by Board members and Board alternates in the policy process;
2. integrate technical and political issues into policy discussions and actions under the umbrella of Metro Vision;
3. undertake specific tasks as requested by the Board;
4. develop proposals and recommendations, with DRCOG staff assistance, for Board consideration;
5. interact with staff and Board members so the concerns of local governments are fully understood in the formulation of region policies; and
6. actively seek the involvement of other regional agencies, and business and citizen groups so that their perspective can be incorporated in DRCOG's program activities and decisions.

B. AUTHORITY FOR FORMATION

The categories for DRCOG committees include:

- Standing committees
- Ad hoc committees

Each is formed as provided by Board action, interagency agreement, federal or state statutes, memorandum of understanding or memorandum of agreement signed by the Board Chair or Executive Director. Descriptions follow.

C. MEETINGS

Committees may meet as needed or as specified in the committee description. If a committee wishes to request a meeting that is not regularly scheduled, the committee

chair must consult with DRCOG on staffing and meeting room availability. It will be the responsibility of DRCOG staff to maintain membership lists of the committees. Meeting notices will be distributed through DRCOG.

D. COMMUNICATIONS BY COMMITTEES

It is important for committees to understand their relationship to the staff of DRCOG and to the Board.

Most committees have a direct relationship with the DRCOG Board of Directors, while some have an indirect relationship with recommendations made through a designated committee. DRCOG staff provides information and administrative support to all committees and the Board.

To provide for effective communication throughout the committee structure, the following guidelines will apply.

1. The Board may provide direction to any committee on issues for consideration.
2. Committees with a direct relationship to the Board will review communications from committees with an indirect relationship and make a policy action recommendation to the Board.
3. Recommendations from ad hoc committees to the Board may be supplemented by specific information relative to implications and options for consideration.
4. Committee officers are encouraged to make presentations of committee actions to the Board.
5. Correspondence from committees to agencies, organizations or individuals outside DRCOG are to be prepared and forwarded to the Executive Director for review. The Executive Director has the discretion to obtain approval of the full Board for correspondence before signing.

E. MEMBERSHIP

Committee membership is based on differing authorities, which authorities address the number of members, qualifications, terms of office, and other requirements concerning committee membership. Specific committee membership information is as set forth in the authorities establishing or describing committees, and summarized for each committee in the below committee descriptions.

Standing Committees

Authorities for these committees and their criteria for membership come from the DRCOG Articles of Association, memoranda of agreement, intergovernmental

agreements, federal or state statutes, or Board authorization. These committees include:

- Executive Committee
- Finance & Budget Committee
- Performance & Engagement Committee
- Nominating Committee
- Regional Transportation Committee
- Transportation Advisory Committee
- Advisory Committee on Aging

Ad Hoc Committees

The Board of Directors may create ad hoc committees to review and study specific issues within a specified timeframe. Ad hoc committees will have a written charge or scope of work set by the Board. The number of ad hoc committees must be aligned and within available DRCOG budgetary and staffing resources.

Ad hoc committee membership will comprise at least a half-plus-one of interested Board members and Board alternates. Other elected officials, as well as local staff and other stakeholders may be appointed, as appropriate. The Board Chair will appoint members to those committees created by the Board and will designate the committee chair. Members of ad hoc committees may not appoint an alternate to the committee. Meetings will be conducted on an informal basis and the spirit/intent is to reach consensus decisions.

F. ELECTION OR APPOINTMENT OF OFFICERS

Officers of a committee are designated or elected as provided in the authorities establishing or describing the committee. If not specifically stated in such authority, the chair and vice chair for a committee shall be elected from among the members annually.

G. SCOPE OF RESPONSIBILITY

Each committee has the scope of responsibility as provided in the authorities establishing or describing the committee.

H. QUORUM AND VOTING

Quorum and voting requirements are as provided in the authorities establishing or describing the committee. If not specifically stated in such authority, a quorum consists of one-third of the total voting members, a quorum is required for formal action, and a simple majority of those present, assuming a quorum, carries a motion or other action.

I. OTHER PROCEDURES

In general, committee proceedings should be conducted on an informal basis. The rules of order shall be in accordance with the latest edition of Roberts Rules of Order, Revised.

All committee meetings will have an agenda that will be posted in the designated area for posting notice of meetings at least 48 hours in advance of the meeting. Agendas may also be posted to the DRCOG website. If the committee wishes to solicit input, it should schedule a specific time and notify all stakeholders of that opportunity. Seating for the public will be provided in an area of the meeting room that is distinct from that of the committee members. A meeting summary should be kept to the extent necessary to record decisions made. All motions must be recorded, including the person making the motion and the outcome of the vote. A committee may convene in executive session solely for purposes authorized by and in compliance with the procedures and requirements of the Colorado Open Meetings Law. Participation in an executive session shall be limited to members of the committee and such other persons identified by the committee as participants as part of the request or motion to convene in executive session.

Review of these guidelines and committee descriptions will occur periodically, but at least every four years.
