

The State of EVs in Colorado

Michael McReynolds
Colorado Energy Office

The Colorado Energy Office

MISSION STATEMENT

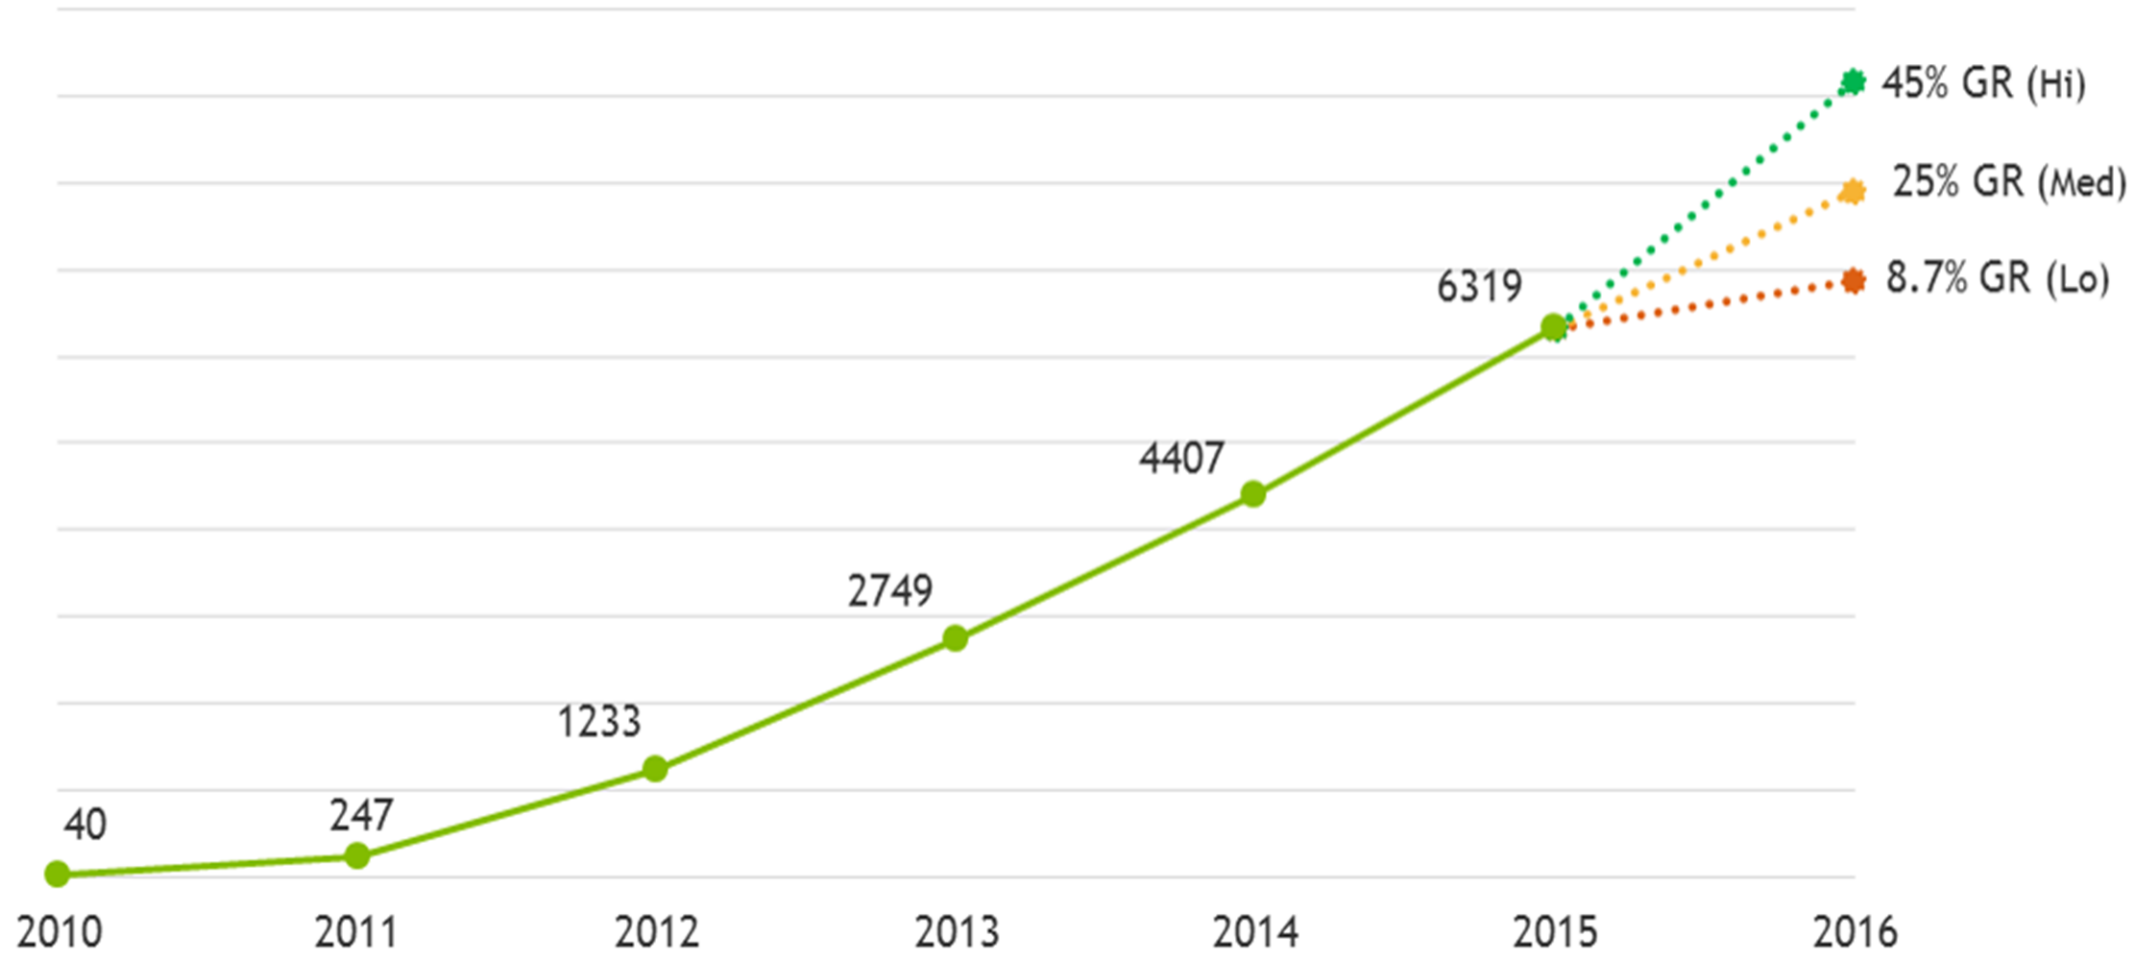

To improve the effective use of all of Colorado's energy resources and the efficient consumption of energy in all economic sectors, by offering technical guidance, financial support, policy advocacy and public outreach.

DEPARTMENT VISION

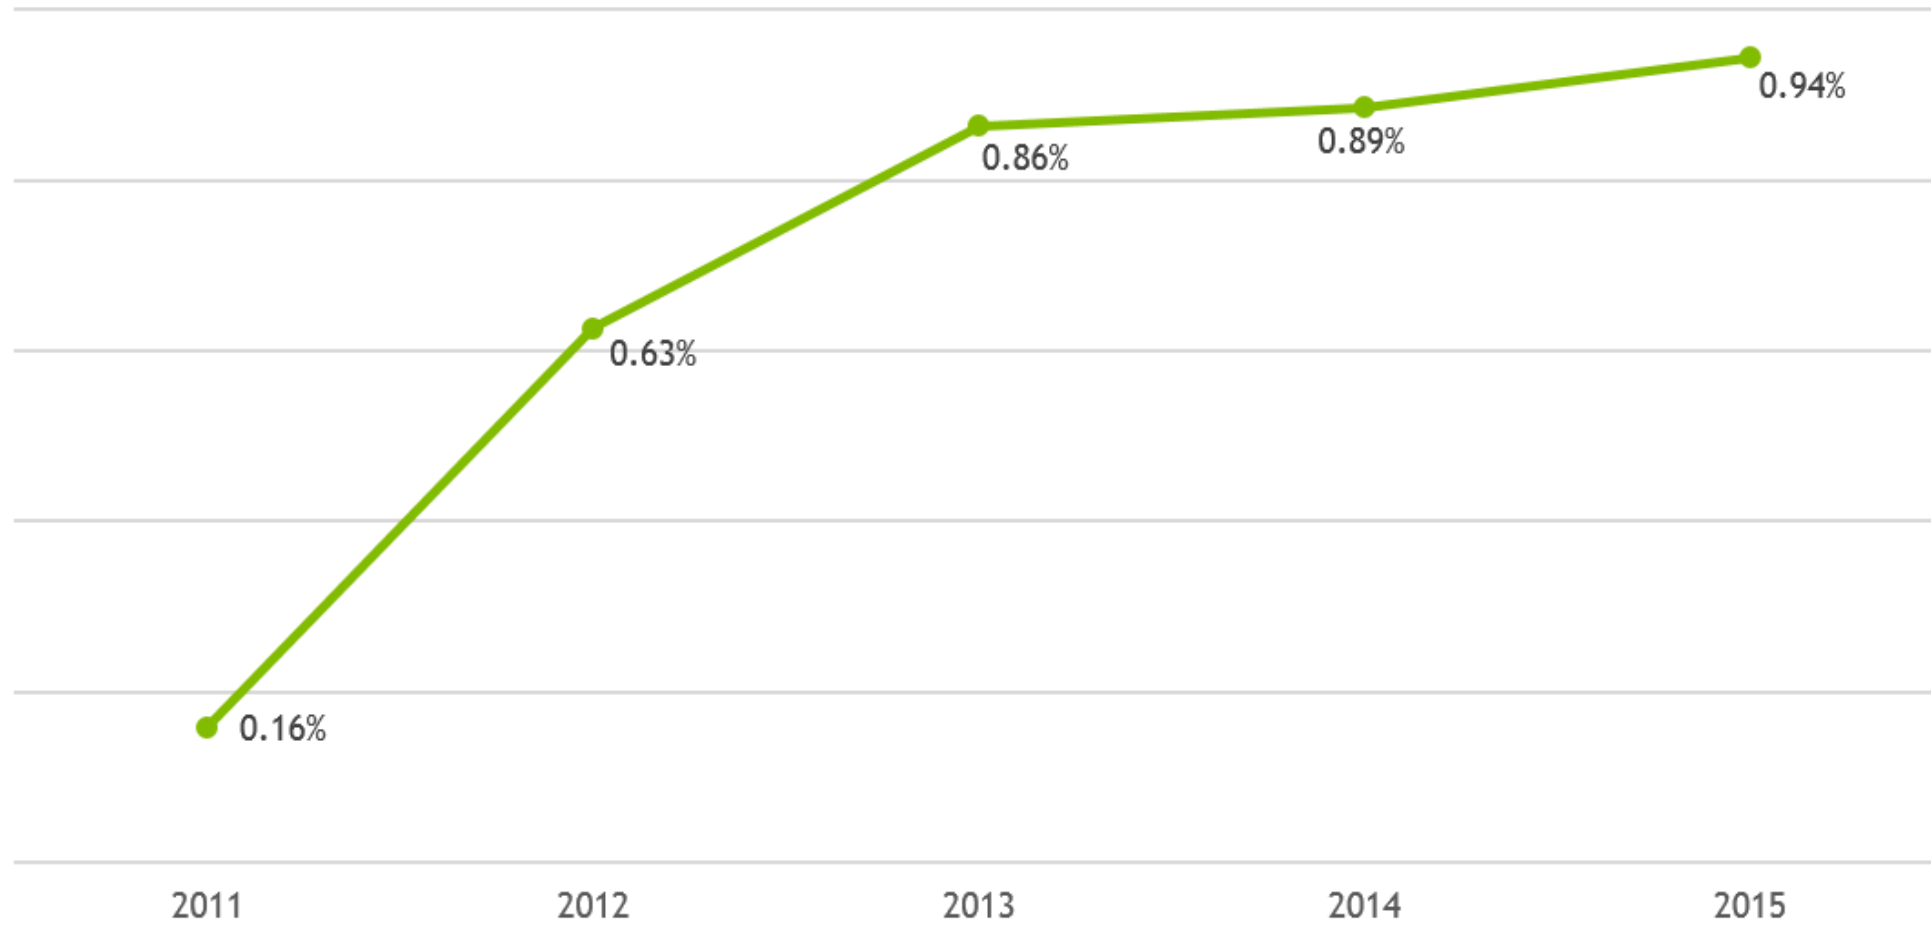

To help Coloradans live more prosperous and healthy lives by promoting innovative energy production and efficient energy consumption practices that are beneficial to the economic and environmental health of the state.
