

SCI Gold Corridor Working Group

Draft Gold Corridor Vision and Goals (As of 10/1/13)

Vision

The Gold Rail Line Corridor connects unique and historic transit centered communities with a range of housing choices and easy access to job centers, recreation, educational and development opportunities. Served by diverse transportation modes for a wide range of socio-economic populations, the Gold Line Corridor supports active, healthy and sustainable lifestyles.

Goals

- Improve connectivity to the stations and between transit service lines to provide safe, easy multi-modal access for people of all ages and abilities.
- Create and preserve a range of quality housing choices throughout the corridor for new and existing neighborhoods and residents of all incomes, age groups and abilities.
- Identify, attract, sustain and expand a diverse and unique economic base of jobs along the corridor.
- Leverage public investment to attract private development along the corridor and create unique places.
- Attract and enhance access to amenities and services such as education, family and health services, and healthy food options.
- Provide and enhance access to parks, open space, recreation and community building opportunities along the corridor.
- Promote denser development near the stations to conserve resources and reduce the combined costs of transportation and housing.
